Forward-Looking Statements

All statements included or incorporated by reference in this document, other than statements or characterizations of historical fact, are forward-looking statements within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on Broadcom Limited's current expectations, estimates and projections about its business and industry, management's beliefs, and certain assumptions made by Broadcom Limited, all of which are subject to change. Forward-looking statements can often be identified by words such as "anticipates," "expects," "intends," "plans," "predicts," "believes," "seeks," "estimates," "may," "will," "should," "would," "could," "potential," "continue," "ongoing," similar expressions, and variations or negatives of these words. These forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially and adversely from those expressed in any forward-looking statement.

Such statements are qualified in their entirety by cautionary statements and risk factor disclosure contained in filings made by Avago Technologies Limited and Broadcom Corporation with the SEC, as well as the registration statement on Form S-4 filed with the SEC by Pavonia Limited and Safari Cayman L.P., which was declared effective on September 25, 2015. The forward-looking statements in this document speak only as of date of this document. We undertake no obligation to revise or update publicly any forward-looking statement, except as required by law.
