

## Broadcom to Host VMware Explore 2024 Barcelona for Customers and Partners

October 22, 2024

PALO ALTO, Calif., Oct. 22, 2024 (GLOBE NEWSWIRE) -- Broadcom Inc. (NASDAQ: AVGO), [which recently acquired VMware](#), is hosting VMware Explore 2024 Barcelona November 4-7 at the Fira Gran Via, featuring a variety of breakout sessions, certification training, and labs spanning relevant technology and industry topics.

On Tuesday, November 5, 2024, at 9:00 a.m. CET, Broadcom President and CEO Hock Tan will address VMware Explore attendees during the general session keynote titled "Shaping the Future of Cloud and AI Innovation." The general session will feature Broadcom leaders, VMware experts, and European customers showcasing advancements in private cloud, generative AI, app delivery, and the edge.

In addition to the general session keynote, VMware Explore will deliver rich technical content beginning Monday, November 4 featuring 400-plus sessions across five content tracks, providing attendees with opportunities to gain actionable insights on how to better run, scale, and secure enterprise workloads and accelerate cloud transformation. To view the full list of sessions, please visit the Content Catalog: <https://event.vmware.com/flow/vmware/explore2024bcn/content/>

Attendees will also have access to top ecosystem partners at The Expo, hands-on learning and certification training, networking opportunities with peers from around the globe, and more. To register to attend VMware Explore 2024 Barcelona, please visit: <https://www.vmware.com/explore/eu>

Broadcom plans to host VMware Explore 2025 Las Vegas at The Venetian Convention and Expo Center August 25-28, 2025.
