# Broadcom Unveils Event Highlights for VMware Explore 2025

August 11, 2025

PALO ALTO, Calif., Aug. 11, 2025 (GLOBE NEWSWIRE) -- Broadcom Inc. (NASDAQ: AVGO) today announced that VMware Explore 2025, taking place August 25-28 at The Venetian Convention and Expo Center in Las Vegas, will feature a variety of breakout sessions and panel discussions, expert roundtables, certification training and hands-on labs spanning relevant technology and industry topics, all targeted at the IT practitioner.

Beginning Monday, August 25, Explore will deliver rich technical content featuring 400+ sessions across four content tracks. Attendees will gain actionable insights across cloud infrastructure, private AI, modern applications, and networking, security and load balancing. To view the complete list of sessions, please visit the Content Catalog: https://event.vmware.com/flow/vmware/explore2025lv/content/page/catalog.

On Tuesday, August 26, 2025 at 9:00 a.m. PDT, Broadcom President and CEO Hock Tan will address Explore attendees in Las Vegas during the general session keynote titled “Shaping the Future of Private Cloud and AI Innovation.” The 60-minute keynote will feature Broadcom leaders, VMware experts, and customers showcasing advancements across private cloud, private AI, and more. The general session will be live streamed through the VMware Explore website at no charge. To view the live stream and to sign up for an event reminder, please visit: https://www.vmware.com/explore/us/broadcast.

VMware Explore 2025 in Las Vegas will also feature a refreshed on-site experience. The Expo will merge with The Hub to produce a fully integrated space for attendees to interact with the Explore community and partners. The Hub will serve as a centralized space for learning, networking, and recharging. Attendees will also be able to visit with sponsors, learn about VMware products at the VMware by Broadcom booth, participate in hands-on labs and certification trainings, connect with product and technology specialists at the Expert Bar, attend sessions at the community-centric theaters, listen to live recordings of the Virtually Speaking podcast and theCUBE, and more.

Broadcom thanks its Explore 2025 sponsors which includes:

- Diamond sponsors: Amazon Web Services, Google Cloud, Intel and Microsoft
- Platinum sponsors: Dell Technologies, IBM, NetApp and VMUG
