

**CHARTER
OF
COMPENSATION COMMITTEE
(Amended August 30, 2023)**

This Compensation Committee Charter (the “*Charter*”) was adopted by the Board of Directors (the “*Board*”) of Broadcom Inc. (the “*Company*”).

I. PURPOSE

The purpose of the Compensation Committee (the “*Committee*”) of the Board is (1) to oversee the discharge of the Board’s responsibilities relating to compensation of the Company’s Chief Executive Officer (the “*CEO*”) and other officers, as such term is defined in Rule 16a-1, promulgated under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”) (the CEO and each such officer, an “*Officer*” and collectively, the “*Officers*”), which includes reviewing, approving and overseeing the administration of the Company’s overall executive compensation philosophy and related compensation and benefit plans, policies and practices.

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and fulfill any other responsibilities delegated to it by the Board from time to time consistent with the Company’s Amended and Restated Certificate of Incorporation (the “*Certificate*”) and Amended and Restated Bylaws (the “*Bylaws*”). The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

II. MEMBERSHIP

The Committee shall consist of at least two members of the Board, none of whom shall be an employee of the Company, and all of whom shall be “non-employee directors” within the meaning of Rule 16b-3 under the Exchange Act. Members of the Committee must also meet the independence and other membership requirements of The Nasdaq Stock Market (“*Nasdaq*”) and all other eligibility requirements of applicable laws, subject, in each case, to applicable exceptions thereto as provided from time to time under such rules and regulations.

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board. Committee members may be replaced or removed from the Committee by the Board, with or without cause and without prior notice. Unless otherwise

determined by the Committee, any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein.

III. MEETINGS AND PROCEDURES

The Chair of the Committee (or in his or her absence, a member designated by the Chair of the Committee) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are consistent with any provisions of the Company's Certificate and Bylaws that are applicable to the Committee. A majority of the members of the Committee, present in person or by video or phone, shall constitute a quorum and the affirmative vote of a majority of the members of the Committee shall be necessary for the taking of any action by the Committee (subject to any delegation of the Committee's authority pursuant to Section V below).

The Committee shall meet as often as it determines is necessary to carry out its responsibilities under this Charter, but at least four times per year.

In addition, decisions may be taken by the Committee by way of written consent (in lieu of meetings) signed by all members. Any such written consent may consist of several documents in like form, each signed by one or more members of the Committee. The expression "signed" includes approval of any such Committee member by facsimile transmission, email or any other form of electronic communication approved by the Committee.

Minutes of each meeting and decisions recorded by way of written consent will be kept and distributed to each member of the Committee and the Company's Secretary.

All non-management directors who are not members of the Committee may attend and observe meetings of the Committee but shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management or any other person whose presence the Committee believes to be necessary or appropriate. Notwithstanding the foregoing, the CEO may not be present during voting or deliberations concerning his or her compensation, and the Committee may exclude from its meetings any persons it deems appropriate, including but not limited to any director who is not a member of the Committee.

Consistent with any applicable requirements of Nasdaq and the Exchange Act and the rules and regulations thereunder, the Committee shall have the sole authority, in its discretion, to retain and/or replace or obtain the advice of any compensation and benefits consultants, legal counsel and other experts or advisors to the Committee that the Committee believes to be necessary or appropriate, including the authority to approve such person's or entity's fees and other retention terms. The Committee may also utilize the services of the Company's regular legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of

compensation to any such persons retained by the Committee and for ordinary administrative expenses of the Committee that are necessary or appropriate in performing its duties.

The Committee shall have the appropriate resources and authority to conduct or authorize investigations into any matters within the scope of the powers and responsibilities delegated to the Committee. The Committee shall have full access to all books, records, facilities and personnel of the Company to conduct such investigations.

The Chair of the Committee shall report regularly to the Board regarding the activities and findings of the Committee and as otherwise requested by the Chair of the Board.

10. The Committee shall establish and periodically review stock ownership guidelines for the Officers and non-employee directors, to strengthen their commitment to the future of the Company and further align their interests with those of the Company's stockholders.
11. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any benefits and compensation consultant, legal counsel and other advisor retained by the Committee and, subject to any exceptions that may be permitted under applicable rules and regulations, shall undertake an analysis of the independence of each
