The New Notes and Indenture

In connection with the early settlement of the Exchange Offers, the Company issued (i) \$1,694,847,000 aggregate principal amount of its 2026 New Notes and (ii) \$2,221,096,000 aggregate principal amount of its New 2028 Notes in exchange for validly tendered and accepted Existing Notes.

The New Notes were issued pursuant to an Indenture, dated May 21, 2020, among the Company, the Guarantors and Wilmington Trust, National Association, as trustee (the "Indenture"). Each series of New Notes pays interest semi-annually in arrears on March 15 and September 15 of each year. The New Notes were offered in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act.

Optional Redemption Provisions and Change of Control Purchase Right

The Company may, at its option, redeem or purchase, in whole or in part, the 2026 New Notes and 2028 New Notes at any time prior to July 15, 2026 (two months prior to maturity) and June 15, 2028 (three months prior to maturity), respectively, at a price equal to 100% of the principal amount of the applicable New Notes redeemed, plus a corresponding "make-whole" premium as set forth in the Indenture, plus accrued and unpaid interest thereon to, but excluding, the redemption date. In addition, the Company may, at its option, redeem or purchase, in whole or in part, the 2026 New Notes and 2028 New Notes on or after July 15, 2026 (two months prior to maturity) and June 15, 2028 (three months prior to maturity), respectively, at a redemption price equal to 100% of the principal amount of the applicable New Notes redeemed, plus accrued and unpaid interest thereon, if any, to, but excluding, the redemption date.

In the event that certain changes in the tax law of any relevant jurisdiction would impose withholding taxes on payments on the New Notes, the Company may redeem a series of New Notes in whole, but not in part, at any time, at a redemption price of 100% of the principal amount, plus accrued and unpaid interest thereon, if any, and Additional Amounts (as defined in the Indenture), if any, to the redemption date.

The holders of the New Notes will also have the right to require the Company to purchase their New Notes upon the occurrence of a Change of Control Triggering Event, as defined in the Indenture, at an offer price equal to 101% of the aggregate principal amount of the New Notes purchased plus accrued and unpaid interest thereon to, but excluding, the date of purchase.

Ranking

Under the terms of the Indenture, the New Notes and the guarantees are the Company's and the Guarantors' respective senior unsecured obligations and (i) rank equal in right of payment with all of the Company's and the Guarantors' respective existing and future senior unsecured indebtedness, (ii) rank senior in right of payment to the Company's and the Guarantors' respective existing and future subordinated indebtedness, (iii) are effectively subordinated in right of payment to the Company's and the Guarantors' respective existing and future secured obligations, to the extent of the assets securing such obligations and (iv) are structurally subordinated in right of payment to any existing and future indebtedness or other liabilities, including trade payables, of the Company's subsidiaries (excluding the Guarantors) and the Guarantors' respective subsidiaries.

Restrictive Covenants

The Indenture contains covenants that, subject to certain qualifications and exceptions, limit the ability of the Company, the Guarantors and their subsidiaries to, among other things, (i) incur certain secured debt; (ii) enter into certain sale and lease-back transactions and (iii) consolidate, merge, sell or otherwise dispose of all or substantially all of their assets.

Events of Default

Upon the occurrence of an event of default under the Indenture with respect to the New Notes, which includes payment defaults, defaults in the performance of certain covenants and bankruptcy and insolvency related defaults, the Company's obligations under the New Notes may be accelerated, in which case the entire principal amount of the New Notes would be immediately due and payable.

The foregoing description of the Indenture does not purport to be complete and is qualified in its entirety by reference to the full text of the Indenture. A copy of the Indenture is attached as Exhibit 4.1 to this Current Report on Form 8-K, and is incorporated by reference herein.

Registration Rights Agreement

On May 21, 2020, the Company, the Guarantors and Barclays Capital Inc. and Credit Suisse Securities (USA) LLC, as dealer-managers in connection with the Exchange Offers, entered into a registration rights agreement with respect to the New Notes (the "Registration Rights Agreement"). The Company and the Guarantors agreed under the Registration Rights Agreement to use commercially reasonable efforts to (i) file a registration statement on an appropriate registration form with respect to a registered offer to exchange each series of the New Notes for new notes, with terms substantially identical in all material respects to such series of New Notes and (ii) cause the registration statement to be declared effective under the Securities Act.

If the exchange offer is not completed on or before May 21, 2025, the Company and the Guarantors will use commercially reasonable efforts to file and to have declared effective a shelf registration statement relating to resales of the New Notes and keep such shelf registration statement effective until the date that the New Notes cease to be Transfer Restricted Securities (as defined in the Registration Rights Agreement).

If the Company and the Guarantors fail to satisfy this obligation with respect to a series of the New Notes (a "registration default") under the Registration Rights Agreement, then additional interest will accrue on the principal amount of the New Notes of such series at an annual rate of 0.250%. The annual interest rate on such series of the New Notes will increase by an additional 0.250% for each subsequent 90-day period during which the registration default continues, up to a maximum of 1.000%. The additional interest will accrue to and including the date such registration default ends, at which time the interest rate on the applicable series of New Notes will revert to the original level. A registration default ends with respect to any New Notes when such New Notes cease to be Transfer Restricted Securities.

If the Company is required to pay additional interest due to a registration default, the Company will pay such additional interest to the holders of the New Notes in cash on the same dates that the Company makes other interest payments on the New Notes, until the applicable registration default is cured.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement. A copy of the Registration Rights Agreement is attached as Exhibit 4.4 to this Current Report on Form 8-K, and is incorporated by reference herein.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement

The information disclosed above under Item 1.01 is incorporated herein by reference.

However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The Issuer may, without notice to or consent of the Holders of the Initial Notes, issue Additional Notes of the same series having the same ranking, interest rate, maturity and/or other terms as a series of Initial Notes (except for the issue price, the date of issuance and, in certain circumstances, the date interest begins to accrue and the first Interest Payment Date). Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

The Issuer initially appoints The Depository Trust Company (“*DTC*”) to act as Depository with respect to the Global Notes.

All Global Notes will be exchanged by the Issuer for Definitive Notes if:

(1) the Issuer delivers to the Trustee notice from the Depository that it is unwilling or unable to continue to act as Depository or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depository is not appointed by the Issuer within 120 days after the date of such notice from the Depository;

(2) the Issuer in its sole discretion elects to cause the issuance of Definitive Notes for Global Notes and delivers a written notice to such effect to the Trustee; or

Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. (b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuer will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar’s request.

(2) No service charge will be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.09 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Issuer will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the Close of Business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) Neither the Issuer, the Trustee nor any Agent shall have any responsibility or obligation to any Beneficial Owner in a Global Note, a Depositary Participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Depositary Participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Depositary Participant, Beneficial Owner or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of the Global Note). The rights of Beneficial Owners in the Global Note shall be exercised only through the Depositary subject to the Applicable Procedures. The Issuer, the Trustee and the Agents shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, Participants and any Beneficial Owners. The Issuer, the Trustee and the Agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered Holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and Additional Amounts, if any, and the giving of instructions or directions by or to the owner or holder of a Beneficial Ownership interest in such Global Note) as the sole Holder of such Global Note and shall have no obligations to the Beneficial Owners thereof. Neither the Issuer, the Trustee nor any Agent shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Note, for the records of any such Depositary, including records in respect of Beneficial Ownership interests in respect of any such Global Note, for any transactions between the Depositary and any Depositary Participant or between or among the Depositary, any such Depositary Participant and/or any Holder or owner of a Beneficial Ownership interest in such Global Note, or for any transfers of Beneficial Ownership interests in any such Global Note.

Notwithstanding the foregoing, with respect to any Global Note, nothing herein shall prevent the Issuer, the Trustee, or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by any Depositary (or its nominee), as a Holder, with respect to such Global Note or shall impair, as between such Depositary and owners of beneficial interests in such Global Note, the operation of customary practices governing the exercise of the rights of such Depositary (or its nominee) as Holder of such Global Note.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuer and the Trustee receives evidence to each of their satisfaction of the destruction, loss or theft of any Note, the Issuer will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee to protect the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss, liability or expense that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note; however, Notes held by the Issuer or a Subsidiary of the Issuer shall not be deemed to be outstanding for purposes of Section 3.07 hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer or its Subsidiaries or Affiliates) holds, on a Redemption Date or Maturity Date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer will prepare and the Trustee will authenticate Definitive Notes in exchange for temporary Notes according to the procedures set forth in Section 2.06 hereof.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with the Trustee's standard procedures (subject to the record retention requirements of the Exchange Act and the Trustee). Certification of the cancellation of all canceled Notes will be delivered to the Issuer upon the Issuer's written request. The Issuer may not issue new Notes to replace Notes that the Issuer has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuer will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) will send or cause to be sent to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Additional Amounts*

After the occurrence of a Non-U.S. Domicile Transaction with respect to any Obligor or any successor in interest to an Obligor (each such Obligor or successor, a "non-U.S. Payor"), all payments made by a non-U.S. Payor on or with respect to the Notes or any guarantee of the Notes will be made without withholding or deduction for, or on account of, any present or future tax, duty, levy, impost, assessment or other similar governmental charge (collectively, "Taxes") unless such withholding or deduction is required by law or by the interpretation of administration of law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

- (1) any jurisdiction (other than the United States or any political subdivision or governmental authority thereof or therein having power to tax) from or through which payment on the Notes or any guarantee of the Notes is made by or on behalf of a non-U.S. Payor, or any political subdivision or governmental authority thereof or therein having the power to tax; or
- (2) any jurisdiction (other than the United States or any political subdivision or governmental authority thereof or therein having the power to tax) in which a non-U.S. Payor that actually makes a payment on the Notes or its guarantee of the Notes is organized or otherwise considered to be a resident for tax purposes, or any political subdivision or governmental authority thereof or therein having the power to tax

(each of clauses (1) and (2), a "*Relevant Taxing Jurisdiction*"), will at any time be required from any payments made with respect to the Notes or any guarantee of the Notes, including payments of principal, redemption price, interest or premium, if any, the non-U.S. Payor will pay (together with such payments) such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received in respect of such payments by the Holder after such withholding or deduction (including any

such deduction or withholding from such Additional Amounts), will not be less than the amounts that would have been received in respect of such payments on the Notes or the guarantees of the Notes in the absence of such withholding or deduction; *provided, however*, that no such Additional Amounts will be payable for or on account of:

- (1) any Taxes that would not have been so imposed or levied but for the existence of any present or former connection between the relevant Holder (or between a fiduciary, settlor, beneficiary, partner, member or shareholder of, or possessor of power over, the relevant Holder, if such Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such Notes or any guarantee of the Notes or the enforcement or receipt of any payment in respect thereof;
- (2) any Taxes that would not have been so imposed or levied if the Holder of the Note had complied with a reasonable request in writing of the non-U.S. Payor (such request being made at a time that would enable such Holder acting reasonably to comply with that request) to make a declaration of nonresidence or any other claim or filing or satisfy any certification, identification, information or reporting requirement for exemption from, or reduction in the rate of, withholding to which it is entitled (*provided* that such declaration of nonresidence or other claim, filing or requirement is required by the applicable law, treaty, regulation or official administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, any such Taxes);
- (3) any Taxes that are payable otherwise than by withholding from a payment on or with respect to the Notes or any guarantee of the Notes;
- (4) any estate, inheritance, gift, sales, excise, transfer, personal property or similar Taxes;
- (5) any Taxes imposed in connection with a Note presented for payment (where presentation is required for payment) by or on behalf of a Holder or beneficial owner who would have been able to avoid such Tax by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;
- (6) any Taxes payable under Sections 1471 through 1474 of the Code as of the date of the Offering Memorandum (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), any current or future regulations or official interpretations thereof, any agreements entered into pursuant thereto, and any intergovernmental agreements implementing the foregoing (including any legislation or other official guidance relating to such intergovernmental agreements); or
- (7) any combination of the above.

Such Additional Amounts will also not be payable (x) if the payment could have been made without such deduction or withholding if the beneficiary of the payment had presented the Note for payment (where presentation is required) within 30 days after the relevant payment was due and first made available for payment to the Holder (*provided* that notice of such payment is given to the Holders), except to the extent that the Holder or beneficial owner or other such Person would have been entitled to Additional Amounts on presenting the Note for payment on any date during such 30-day period or (y) where, had the beneficial owner of the Note been the Holder of the Note, such beneficial owner would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (7) inclusive above.

The non-U.S. Payors will (i) make or cause to be made any required withholding or deduction and (ii) remit or cause to be remitted the full amount deducted or withheld to the relevant taxing authority of the Relevant Taxing Jurisdiction in accordance with applicable law. The non-U.S. Payor will use reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each relevant taxing authority of each Relevant Taxing Jurisdiction imposing such Taxes and will provide such certified copies to the Trustee and the Holders. If, notwithstanding the efforts of such non-U.S. Payor to obtain such receipts, the same are not obtainable, such non-U.S. Payor will provide the Trustee and the Holders with other reasonable evidence.

If any non-U.S. Payor will be obligated to pay Additional Amounts under or with respect to any payment made on the Notes, at least 30 days prior to the date of such payment, the non-U.S. Payor will deliver to the Trustee an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the non-U.S. Payor shall deliver such Officer's Certificate and such other information as promptly as practicable after the date that is 30 days prior to the payment date). The Trustee shall be entitled to rely solely on such Officer's Certificate as conclusive proof that such payments are necessary.

Wherever in this Indenture, the Notes or any guarantee of the Notes there is mention of, in any context:

- (1) the payment of principal;
- (2) redemption prices or purchase prices in connection with a redemption or purchase of Notes;
- (3) interest; or
- (4) any other amount payable on or with respect to any of the Notes or any guarantee of the Notes;

such reference shall be deemed to include payment of Additional Amounts as described under this Section 2.13 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

The non-U.S. Payors will pay any present or future stamp, court or documentary Taxes, or any other excise, property or similar Taxes that arise in any Relevant Taxing Jurisdiction from the execution, delivery, issuance, initial resale, registration or enforcement of any Notes, this Indenture or any other document or instrument in relation thereto (other than a transfer of the Notes). The foregoing obligations will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a non-U.S. Payor is organized or otherwise considered to be a resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

ARTICLE 3.
REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, five Business Days prior to the date notice is to be given to Holders of such redemption (unless a shorter notice period shall be agreed to by the Trustee), an Officer's Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date;
- (3) the series and principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes of a series are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption pro rata, by lot or by such method the Trustee deems to be fair and appropriate in accordance with the Applicable Procedures (in the case of the Global Notes), if any, unless otherwise required by law or applicable stock exchange or depository requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Redemption.

Subject to the provisions of Section 3.09 hereof, at least 15 days but not more than 60 days before a Redemption Date, the Issuer will deliver a notice of redemption to each Holder whose Notes are to be redeemed at its registered address (or electronically in accordance with the Applicable Procedures in the case of Global Notes), except that redemption notices may be sent more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 10 hereof.

The notice will identify the series Notes to be redeemed and will state:

- (1) the Redemption Date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuer's request, the Trustee will deliver the notice of redemption in the Issuer's name and at its expense; *provided, however*, that the Issuer has delivered to the Trustee, five Business Days prior to the date notice is to be given to Holders of such redemption (unless a shorter notice period shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any redemption of either series of Notes may, at the Issuer's discretion, be subject to one or more conditions precedent with respect to completion of a corporate transaction (including, but not limited to, any merger, acquisition, disposition, asset sale or corporate restructuring or reorganization) or financing (including, but not limited to, any incurrence of indebtedness (or entering into a commitment with respect thereto), sale and leaseback transaction, issuance of securities, equity offering or contribution, liability management transaction or other capital raise) and may be given prior to the completion thereof. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent, such notice shall describe each such condition, and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Redemption Date. In addition, the Issuer may provide in such notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption may be performed by another person.

Section 3.04 *Effect of Notice of Redemption.*

Subject to the last two paragraphs of Section 3.03, once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, accrued interest and Additional Interest, if any, on all Notes to be redeemed on that date. The Trustee or the Paying Agent will promptly return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, accrued interest and Additional Interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the Close of Business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Issuer will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuer a new Note of the same series equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) At any time prior to July 15, 2026 (two months prior to the 2026 Notes Maturity Date) (the “2026 Notes Par Call Date”), the Issuer will have the right, at its option, to redeem the 2026 Notes, in whole or in part, at any time and from time to time, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the 2026 Notes to be redeemed, and

(2) the sum of the present values of the Remaining Scheduled Payments of principal and interest on the 2026 Notes to be redeemed, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 50 basis points, plus, in each case, accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(b) At any time prior to June 15, 2028 (three months prior to the 2028 Notes Maturity Date) (the “2028 Notes Par Call Date”), the Issuer will have the right, at its option, to redeem the 2028 Notes, in whole or in part, at any time and from time to time, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the 2028 Notes to be redeemed, and

(2) the sum of the present values of the Remaining Scheduled Payments of principal and interest on the 2028 Notes to be redeemed, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 50 basis points, plus, in each case, accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(c) On or after the 2026 Notes Par Call Date, the Issuer shall have the right, at its option, to redeem the 2026 Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the 2026 Notes to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(d) On or after the 2028 Notes Par Call Date, the Issuer shall have the right, at its option, to redeem the 2028 Notes, in whole or in part, at any time and from time to time, at a redemption price equal to 100% of the principal amount of the 2028 Notes to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(e) Notwithstanding the foregoing, installments of interest on either series of Notes to be redeemed that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders of the Notes of such series as of the Close of Business on the corresponding Regular Record Date.

(f) The Trustee has no duty to calculate or verify the calculation of the redemption price.

Section 3.08 *Mandatory Redemption.*

The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *Redemption for Taxation Reasons*

The Issuer may redeem the Notes of a series, at its option, in whole, but not in part, at a redemption price equal to 100% of the principal amount thereof, upon not less than 15 nor more than 60 days' prior notice to the Holders of Notes (which notice shall be irrevocable), together with accrued and unpaid interest, if any, to (but not including) the date fixed for redemption (a "*Tax Redemption Date*") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling prior to the Tax Redemption Date) and all Additional Amounts, if any, then due or that will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuer determines in good faith that, as a result of:

- (1) any change in, or amendment to, the law or treaties (or any regulations, protocols or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or
- (2) any change in, or amendment to, an official position or the introduction of an official position regarding the application, administration or interpretation of such laws, treaties, regulations, protocols or rulings (including a holding, judgment or order by a government agency or court of competent jurisdiction or a change in published administrative practice) (each of the foregoing in clauses (1) and (2), a "*Change in Tax Law*"),

any non-U.S. Payor, with respect to the Notes or a guarantee of the Notes is, or on the next date on which any amount would be payable in respect of the Notes or a guarantee of the Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to such non-U.S. Payor (including the appointment of a new Paying Agent or the payment through another non-U.S. Payor).

In the case of any non-U.S. Payor, the Change in Tax Law must become effective on or after the date of the Offering Memorandum (or, if the applicable Relevant Taxing Jurisdiction becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such a change that occurs after such later date). Notwithstanding the foregoing, no such notice of redemption will be given earlier than 90 days prior to the earliest date on which the non-U.S. Payor would be obligated to make such payment of Additional Amounts. Prior to the publication, mailing or delivery of any notice of redemption of the Notes pursuant to the foregoing, the Issuer will deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the

conditions precedent to its right so to redeem have been satisfied and (b) an opinion of an independent tax counsel of recognized standing to the effect that the non-U.S. Payor would be obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee will accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, in which event it will be conclusive and binding on the Holders.

The foregoing provisions will apply *mutatis mutandis* to the laws and official positions of any jurisdiction in which any successor to a non-U.S. Payor is organized or otherwise considered to be a resident for tax purposes or any political subdivision or taxing authority or agency thereof or therein. The foregoing provisions will survive any termination, defeasance or discharge of this Indenture.

ARTICLE 4. COVENANTS

Section 4.01 Payment of Notes.

The Issuer covenants and agrees for the benefit of the Holders of the Notes that it will duly and punctually pay the principal of and any premium and interest and Additional Interest, if any, on the Notes in accordance with the terms of such Notes and this Indenture. Principal, premium, if any, interest and Additional Interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Issuer or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. The Issuer will pay all Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement.

Section 4.02 Maintenance of Office or Agency.

The Issuer will maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be made. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made at the Corporate Trust Office of the Trustee; *provided that*, the Corporate Trust Office of the Trustee shall not be an office or agency of the Issuer for the purpose of effecting service of legal process on the Issuer.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Issuer of its obligation to maintain an office or agency in the United States for such purposes. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) To the extent any Notes are outstanding, the Issuer shall deliver to the Trustee any reports, information and documents that the Issuer is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act within 30 days after such report, information or document is required to be filed with the SEC. The Issuer also shall comply with the other provisions of TIA §314(a), to the extent applicable. Reports, information and documents filed with the SEC via the EDGAR system will be deemed to be delivered to the Trustee as of the time of such filing via EDGAR for purposes of this Section 4.03, it being understood that the Trustee shall not be responsible for determining whether such filings have been made. Delivery of reports, information and documents to the Trustee under this Section 4.03(a) is for informational purposes only and the Trustee's receipt of the foregoing shall not constitute constructive or actual notice of any information contained therein or determinable from information contained therein, including the Obligors' compliance with any of the covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). All such reports, information or documents referred to in this Section 4.03 that the Issuer files with the SEC via the SEC's EDGAR system shall be deemed to be filed with the Trustee and transmitted to Holders at the time such reports, information or documents are filed via the EDGAR system (or any successor system).

(b) For so long as any Notes remain outstanding, if at any time the Issuer is not required to file with the SEC the reports required by Section 4.03(a), the Issuer will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) Notwithstanding the foregoing, so long as an Obligor complies with, or would comply with, the requirements of Rule 3-10 of Regulation S-X promulgated by the SEC (or any successor provision), the reports, information and other documents required to be filed and furnished to Holders of the Notes pursuant to this covenant may, at the option of the Issuer, be filed by and be those of such Obligor rather than the Issuer.

Section 4.04 *Compliance Certificate.*

The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Issuer, an Officer's Certificate stating that a review of the activities of the Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Issuer has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuer is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, interest or Additional Interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuer is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Issuer will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws.*

The Issuer and each of the Guarantors covenant (to the extent that they may lawfully do so) that they will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Corporate Existence.*

Subject to Article 5 hereof, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

Section 4.08 *Limitation on Secured Debt.*

The Issuer will not (nor will the Issuer permit any of its Subsidiaries to) create, assume, or guarantee any Secured Debt without making effective provision for securing the Notes equally and ratably with such Secured Debt. The foregoing restrictions in the immediately preceding sentence shall not apply, however, to debt secured by:

(a) purchase money mortgages created to secure payment for the acquisition, construction or improvement of any Property including, but not limited to, any Indebtedness incurred by the Issuer or a Subsidiary of the Issuer prior to, at the time of, or within 18 months after the later of the acquisition, the completion of construction (including any improvements on an existing property) or the commencement of commercial operations of such Property, which Indebtedness is incurred for the purpose of financing all or any part of the purchase price of such Property or construction or improvements on such Property;

(b) mortgages, pledges, liens, security interests or encumbrances (collectively referred to as security interests) on Property, or any conditional sales agreement or any title retention with respect to Property, existing at the time of acquisition thereof, whether or not assumed by the Issuer or a Subsidiary of the Issuer, provided such security interests are not created in anticipation or in furtherance of such acquisition;

(c) security interests on Property of any Person existing at the time such Person becomes a Subsidiary;

(d) security interests on Property of a Person existing at the time such Person is merged or amalgamated into or otherwise consolidated with the Issuer or a Subsidiary of the Issuer or at the time of a sale, lease, or other disposition of the Properties of a Person as an entirety or substantially as an entirety to the Issuer or a Subsidiary of the Issuer; *provided* that no such security interests shall extend to any other Principal Property of the Issuer or such Subsidiary prior to such acquisition or to other Principal Property thereafter acquired other than additions or improvements to the acquired Property;

(e) security interests on Property of the Issuer or Property of a Subsidiary of the Issuer in favor of the United States of America or any state thereof, or in favor of any other country, or any department, agency, instrumentality or political subdivision thereof (including, without limitation, security interests to secure Indebtedness of the pollution control or industrial revenue type) in order to permit the Issuer or any Subsidiary of the Issuer to perform a contract or to secure Indebtedness incurred for the purpose of financing all or any part of the purchase price for the cost of constructing or improving the Property subject to such security interests or which is required by law or regulation as a condition to the transaction of any business or the exercise of any privilege, franchise or license;

(f) security interests on any Property or assets of the Issuer or any Subsidiary of the Issuer to secure Indebtedness owing by it to the Issuer or any Subsidiary of the Issuer;

(g) liens securing reimbursement obligations with respect to letters of credit related to trade payables and issued in the ordinary course of business, which liens encumber documents and other Property relating to such letters of credit and the products and proceeds thereof;

(h) liens encumbering customary initial deposits and margin deposits and other liens in the ordinary course of business, in each case securing Indebtedness under any interest swap obligations and currency agreements and forward contracts, options, futures contracts, futures options or similar agreements or arrangements designed to protect the Issuer or any of its Subsidiaries from fluctuations in interest rates or currencies; or

(i) any extension, renewal or replacement, or successive extensions, renewals or replacements, in whole or in part, of any security interest referred to in the foregoing clauses (a)-(h); to the extent that the principal amount thereof is not increased other than by transaction costs and premiums, if any, and no additional Principal Property other than Principal Property permitted to be so secured under the foregoing clauses (a)-(h) is subject thereto.

Section 4.09 *Offer to Purchase Upon Change of Control Triggering Event.*

Upon the occurrence of a Change of Control Triggering Event, unless the Issuer has exercised its right to redeem all outstanding Notes of a series pursuant to Section 3.07, each Holder of Notes of such series will have the right to require the Issuer to purchase all or a portion (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes pursuant to the offer described below (the "*Change of Control Offer*"), at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase (the "*Change of Control Payment*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date. Within 30 days following the date upon which the Change of Control Triggering Event occurred, or, at the Issuer's option, prior to and conditioned on the occurrence of, any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, the Issuer will deliver a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice will state, among other things, the purchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is sent and, if the notice is sent prior to the Change of Control, no earlier than the date of the occurrence of the Change of Control, other than as may be required by law (the "*Change of Control Payment Date*"). The notice will, if sent prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. The Issuer must comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.09, the Issuer will comply with those securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.09 by virtue of such conflicts.

Holders of Definitive Notes electing to have a note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice. Holders of Global Notes must transfer their Notes to the Paying Agent by book-entry transfer pursuant to the Applicable Procedures of the Paying Agent and the Depositary (in the case of Global Notes), in each case prior to the Close of Business on the third Business Day prior to the Change of Control Payment Date.

On the Change of Control Payment Date, the Issuer shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Paying Agent will promptly pay to each Holder of Notes of each applicable series properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate (or cause to be transferred by book-entry) a new Note of such series equal in principal amount to any unpurchased portion of any Notes of such series surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

Notwithstanding anything to the contrary in this Section 4.09, the Issuer will not be required to make a Change of Control Offer if a third party makes such an offer in the manner and at the times required and otherwise in compliance with the requirements applicable to such an offer had it been made by the Issuer, and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Issuer may not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default hereunder, other than a Default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

Section 4.10 *Limitation on Sale and Lease-back Transactions.*

The Issuer will not (nor will the Issuer permit any of its Subsidiaries to) enter into any sale and lease-back transaction for the sale and leasing back of any Principal Property (a "*Sale and Lease-back Transaction*"), whether now owned or hereafter acquired, of the Issuer or any Subsidiary of the Issuer, unless:

- (a) such transaction was entered into prior to the issue date of the Notes;
- (b) such transaction involves a lease for less than three years;
- (c) such transaction involves the sale and leasing back to the Issuer of any Principal Property by one of its Subsidiaries, the sale and leasing back to one of the Issuer's Subsidiaries by the Issuer or the sale and leasing back to one of the Issuer's Subsidiaries by another of the Issuer's Subsidiaries;
- (d) the Issuer or such Subsidiary would be entitled to incur Secured Debt on the Principal Property to be leased in an amount at least equal to the Attributable Liens with respect to such Sale and Lease-back Transaction without equally and ratably securing the Notes pursuant to Section 4.08; or

(e) the Issuer applies an amount equal to the fair market value of the Principal Property sold, within 180 days of such Sale and Lease-back Transaction, to any of (or a combination of) (a) the prepayment or retirement of the Notes, (b) the prepayment or retirement of Indebtedness for borrowed money of the Issuer or a Subsidiary of the Issuer (other than Indebtedness that is contractually subordinated to the Notes) or (c) the purchase, construction, development, expansion or improvement of Principal Property.

Section 4.11 *Exempted Indebtedness.*

Notwithstanding Sections 4.08 and 4.10, the Issuer and any one or more of its Subsidiaries may, without securing the Notes, issue, assume, or guarantee Secured Debt or enter into any Sale and Lease-Back Transaction that would otherwise be subject to the Section 4.08 or 4.10; *provided* that, after giving effect thereto, the aggregate amount of such Secured Debt then outstanding (other than Secured Debt permitted under Section 4.08) and the Attributable Liens of Sale and Lease-back Transactions, other than Sale and Lease-Back Transactions set forth in Section 4.10, at such time does not exceed the greater of (i) 15% of the Consolidated Net Tangible Assets of the Issuer calculated as of the date of the creation or incurrence of such Secured Debt or Sale and Lease-Back Transactions and (ii) \$1,750 million, in each case after giving effect to such incurrence and the application of the proceeds therefrom.

Section 4.12 *Classification*

For purposes of determining compliance with Sections 4.08 and 4.10, in the event that any Secured Debt meets the criteria of more than one of the types of Secured Debt set forth in Section 4.08, the Issuer, in its sole discretion, shall classify such Secured Debt and shall only be required to include the amount and type of such Secured Debt in one of Section 4.08(a) through (i) above or under Section 4.11, and Secured Debt may be divided and classified at the time of incurrence into more than one of the types of Secured Debt described in Section 4.08 or in Section 4.11.

ARTICLE 5. SUCCESSORS

Section 5.01 *Merger, Consolidation or Sale of Assets.*

None of the Obligor may consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to, any Person, referred to as a “successor Person,” unless:

(1) such Obligor is the surviving Person or the successor Person (if other than an Obligor) is a Person organized and validly existing under the laws of any U.S. domestic jurisdiction, any current or former member state of the European Union, Canada or any province of Canada, the United Kingdom, Switzerland, the Republic of Singapore, Bermuda or the Cayman Islands and expressly assumes by supplemental indenture such Obligor’s obligations on the Notes and under this Indenture (any such transaction resulting in an entity organized or existing under the laws of any jurisdiction other than a U.S. domestic jurisdiction, a “*Non-U.S. Domicile Transaction*”);

(2) immediately after giving effect to the transaction, no Default or Event of Default shall have occurred and be continuing under this Indenture; and

(3) the Issuer has delivered to the Trustee prior to the consummation of the proposed transaction an Officer’s Certificate to the foregoing effect and an Opinion of Counsel stating that the proposed transaction and the supplemental indenture comply with this Indenture.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation of any Obligor with, or merger of such Obligor into, any other Person or any conveyance, transfer or lease of the properties and assets of such Obligor substantially as an entirety in accordance with Section 5.01, the successor Person formed by such consolidation or into which such Obligor is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, such Obligor under this Indenture with the same effect as if such successor Person had been named as the Obligor herein, and thereafter, except in the case of a lease, the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Notes; *provided, however*, that the predecessor Obligor shall not be relieved from the obligation to pay the principal of, premium on, if any, interest and Additional Interest, if any, on, the Notes except in the case of a sale of all of such Obligor's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6.
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

"*Event of Default*," wherever used herein with respect to Notes of either series, means any of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest, including any Additional Interest, on the Notes of such series when it becomes due and payable, and continuance of that default for a period of 30 days (unless the entire amount of such payment is deposited by the Issuer with the Trustee or with a Paying Agent prior to the expiration of such 30-day period); or

(b) default in the payment of principal of the Notes of such series when due and payable; or

(c) default in the performance or breach of any other covenant or warranty by the Issuer hereunder (other than a covenant or warranty that has been included in this Indenture solely for the benefit of a series of debt securities other than the Notes of such series), which default continues uncured for a period of 60 days after the Issuer receives written notice from the Trustee or the Issuer and the Trustee receive written notice from the Holders of not less than 25% in principal amount of the outstanding Notes of such series as provided hereunder; or

(d) the Issuer or either Guarantor, pursuant to or within the meaning of any Bankruptcy Law:

(1) commences proceedings to be adjudicated bankrupt or insolvent;

(2) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(3) consents to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or other similar official of it or for all or substantially all of its property;

(4) makes a general assignment for the benefit of its creditors;

(5) generally is not paying its debts as they become due

or takes any comparable action under any foreign laws relating to insolvency; or

(e) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(1) is for relief against the Issuer or either Guarantor, in a proceeding in which the Issuer or such Guarantor is to be adjudicated bankrupt or insolvent;

(2) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Issuer or either Guarantor, or for all or substantially all of the property of the Issuer or such Guarantor; or

(3) the liquidation of the Issuer or either Guarantor;

or any similar relief is granted under any foreign laws and the order or decree remains unstayed and in effect for 60 consecutive days; or

(f) except as permitted under this Indenture, either guarantee shall for any reason cease to exist or shall not be in full force and effect and enforceable in accordance with its terms.

Section 6.02 *Acceleration of Maturity; Rescission and Annulment.*

If an Event of Default with respect to a series of Notes occurs and is continuing (other than an Event of Default specified in Section 6.01(d) or 6.01(e)), then the Trustee or the Holders of not less than 25% in principal amount of the outstanding Notes of that series may declare the principal amount of and accrued and unpaid interest, if any, on all Notes of that series to be due and payable immediately, by a notice in writing to the Issuer (and to the Trustee if given by the Holders), and upon such declaration such principal amount and accrued and unpaid interest, if any, shall become immediately due and payable. In the case of an Event of Default specified in Section 6.01(d) or 6.01(e), the principal of and accrued and unpaid interest, if any, on all outstanding Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder of outstanding Notes.

At any time after such a declaration of acceleration with respect to a series of Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the outstanding Notes of that series, by written notice to the Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(a) the Issuer has paid or deposited with the Trustee a sum sufficient to pay:

(1) all overdue interest on all Notes of that series,

(2) the principal of (and premium, if any, on) any Notes of that series that has become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates prescribed therefor in such Notes,

(3) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Notes, and

(4) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(b) all Events of Default with respect to the Notes of that series, other than the non-payment of accelerated principal and interest, if any, with respect to the Notes of that series, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

Section 6.03 *Collection of Indebtedness and Suits for Enforcement by Trustee.*

The Issuer covenants that if:

(a) default is made in the payment of any interest on any Note when such interest becomes due and payable and such default continues for a period of 30 days; or

(b) default is made in the payment of the principal of (or premium, if any, on) any Note whether at the maturity or upon acceleration or otherwise thereof;

the Issuer will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for principal and any premium and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest, at the rate or rates prescribed therefor in such Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default with respect to Notes of either series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Notes of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 6.04 *Trustee May File Proofs of Claim.*

In case of any judicial proceeding relative to the Issuer (or any other obligor upon the Notes), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the TIA in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; *provided, however*, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

Section 6.05 *Trustee May Enforce Claims Without Possession of Notes.*

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 6.06 *Application of Money Collected.*

Any money collected by the Trustee pursuant to this Article 6 or, after an Event of Default, any money or other property distributable in respect of the Issuer's obligations under this Indenture shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money or other property on account of principal or any premium or interest, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: to the payment of all amounts due the Trustee (including any predecessor trustee) under Section 7.07; and

Second: to the payment of the amounts then due and unpaid for principal of and any premium and interest on the Notes in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for principal and any premium and interest, respectively; and

Third: to the Issuer or any other Person or Persons entitled thereto.

Section 6.07 *Limitation on Suits.*

No Holder of any Note of either series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Notes of that series; and

(2) the Holders of at least 25% in principal amount of the outstanding Notes of that series shall have made written request to the Trustee, and offered (and if requested, provided) indemnity or security satisfactory to the Trustee, to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder and the Trustee has not received from the Holders of a majority in principal amount of the outstanding Notes of that series a direction inconsistent with such written request and has failed to institute such proceeding within 60 days after receipt of such notice, request and offer of indemnity or security;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

Section 6.08 *Unconditional Right of Holders to Receive Principal, Premium and Interest.*

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 4.01) interest on such Note on the respective Stated Maturities expressed in such Note (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 6.09 *Restoration of Rights and Remedies.*

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 6.10 *Rights and Remedies Cumulative.*

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in the last paragraph of Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 *Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 *Control by Holders.*

The Holders of a majority in principal amount of the outstanding Notes of either series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Notes of such series, provided that:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture;
- (b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction; and
- (c) subject to the provisions of Section 7.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would involve the Trustee in personal liability.

Section 6.13 *Waiver of Past Defaults.*

At any time after a declaration of acceleration with respect to a series of Notes has been made in accordance with this Indenture and before a judgment or decree for payment of the money due has been obtained by the Trustee as provided herein, the Holders of a majority in principal amount of the outstanding Notes of such series, by written notice to the Issuer and the Trustee, may rescind and annul such a declaration and its consequences if all Events of Default with respect to the Notes of such series, other than the non-payment of accelerated principal and interest, if any, with respect to the Notes of such series, have been cured or waived as provided herein.

Section 6.14 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the TIA; *provided* that neither this Section nor the TIA shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Issuer.

ARTICLE 7.
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred, has not been waived and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of gross negligence on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the facts, statements, opinions or conclusions stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraphs (b) or (e) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.12 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders, unless such Holder has offered, and if requested, provided to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense. The Trustee shall not be required to give any bond or surety in respect of the performance of its powers or duties under this Indenture.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original, facsimile or other electronic form) believed by it to be genuine and to have been signed or presented by the proper Person or Persons. The Trustee need not investigate any fact or matter stated in the resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order, bond, debenture, note, other evidence of indebtedness or other paper or document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes, suffers or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered (and if requested, provided) the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(g) In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time (“*Applicable Law*”) that a foreign financial institution, issuer, trustee, paying agent, Holder or other institution is or has agreed to be subject to or that is related to this Indenture, the Issuer agrees (i) to use commercially reasonable efforts to provide to the Trustee sufficient information about Holders or other applicable parties and/ or transactions (including any modification to the terms of such transactions) so the Trustee can determine whether it has tax related obligations under Applicable Law and (ii) that the Trustee shall be entitled to make any withholding or deduction from payments under this Indenture to the extent necessary to comply with Applicable Law. The terms of this clause (g) shall survive the termination of this Indenture.

(h) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Issuer or any Holder is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each Agent, Custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Issuer delivers a certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any Person authorized to sign an Officer’s Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(k) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive, incidental or consequential or other similar loss or damage of any kind whatsoever (including but not limited to loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority; acts of God; epidemics; pandemics; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; accidents; labor disputes; acts of civil or military authority and governmental action.

(m) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest as defined in TIA §310(b), it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity, sufficiency or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee shall have no duty to monitor or investigate the Issuer's compliance with or the breach of, or cause to be performed or observed, any representation, warranty, or covenant, or agreement of any Person, other than the Trustee, made in this Indenture.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee will deliver to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, interest or Additional Interest, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each May 1 beginning with the May 1 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2) to the extent applicable. The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be sent by the Trustee to the Issuer and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA §313(d). The Issuer will promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 Compensation and Indemnity.

(a) The Issuer will pay to the Trustee such compensation, as the Issuer and the Trustee from time to time agree in writing for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuer will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services (including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel), except any such expense, disbursement or advance as may be attributable to its gross negligence, bad faith or willful misconduct.

(b) The Issuer will indemnify the Trustee or any predecessor Trustee and their officers, agents, directors and employees for, and to hold them harmless against any and all losses, liabilities, damages, claims or expenses, including reasonable fees and expenses of counsel incurred by it arising out of or in connection with this Indenture, the Notes, the acceptance or administration of the trusts or trusts under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties

hereunder, or in connection with enforcing the provisions of this Section, except to the extent any such loss, liability, damage, claim or expense may be attributable to its gross negligence, bad faith or willful misconduct. The Trustee will notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer will not relieve the Issuer of its obligations hereunder. The Issuer will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Issuer will pay the reasonable fees and expenses of such counsel. The Issuer shall not be required to pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Issuer under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the Notes, the termination for any reason of this Indenture, and the resignation or removal of the Trustee.

(d) To secure the Issuer's obligations in this Section 7.07, the Trustee will have a lien prior to the Notes on all money and property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, interest or Additional Interest, if any, on, particular Notes. Such lien will survive the satisfaction and discharge of this Indenture.

(e) The Trustee will comply with the provisions of TIA §313(b)(2) to the extent applicable.

(f) "Trustee" for purposes of this Section shall include any predecessor Trustee; *provided, however*, that the gross negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

(g) Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 6.01(d) or 6.01(e) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing not less than 30 days prior to the effective date of such removal. The Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will deliver a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 *Preferential Collection of Claims Against Company.*

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8. **LEGAL DEFEASANCE AND COVENANT DEFEASANCE**

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may at any time, at the option of the Board of Directors of the Issuer evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, *Legal Defeasance* means that the Issuer will be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all its other obligations under such Notes and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute such instruments requested by the Issuer acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the provisions of Sections 2.03, 2.06 and 2.07;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from its obligations under the covenants contained in Sections 4.03, 4.04, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12 and 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes, the Issuer may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Section 6.01(c) hereof will not constitute Events of Default.

The following shall be the conditions to the application of Section 8.02 or 8.03 to any Notes or either series of Notes, as the case may be:

(1) The Issuer shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee which satisfies the requirements contemplated by Section 7.10 and agrees to comply with the provisions of this Article applicable to it) as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of Holders of Notes (a) (i) money in an amount, (ii) U.S. Government Obligations that through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, in each case sufficient in the opinion of a nationally recognized firm of independent public accountants to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge each installment of principal, premium and interest on and any mandatory sinking fund payments in respect of the Notes on the respective Stated Maturities in accordance with the terms of this Indenture and the Notes. As used herein, “*U.S. Government Obligation*” means (x) any security that is (i) a direct obligation of the United States of America for the payment of which the full faith and credit of the United States of America is pledged or (ii) an obligation of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case (i) or (ii), is not callable or redeemable at the option of the issuer thereof, and (y) any depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any U.S. Government Obligation which is specified in clause (x) above and held by such bank for the account of the holder of such depositary receipt, or with respect to any specific payment of principal of or interest on any U.S. Government Obligation which is so specified and held, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depositary receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal or interest evidenced by such depositary receipt or (B) in the case of Notes of such series denominated in a currency other than the U.S. dollar, (i) money in such currency in an amount, or (ii) Foreign Government Obligations that through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in such currency in an amount, or (iii) a combination thereof, in each case sufficient in the opinion of a nationally recognized firm of independent public accountants to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on the Notes of such series on the respective Stated Maturities in accordance with the terms of this Indenture and the Notes of such series. As used herein, *Foreign Government Obligation* means (x) any security that is (i) a direct obligation of the government that issued such currency for the payment of which full faith and credit of such government is pledged or (ii) an obligation of a Person controlled or supervised by and acting as an agency or instrumentality for such government the payment of which is unconditionally guaranteed as a full faith and credit obligation by such government, which, in either case (i) or (ii), is not callable or redeemable at the option of the issuer thereof, and (y) any depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any Foreign Government Obligation which is specified in clause (x) and held by such bank for the account of the holder of such depositary receipt, or with respect to any specific payment of principal of or interest on any such Foreign Government Obligation which is so specified and held, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depositary receipt from any amount received by the custodian in respect of the Foreign Government Obligation or the specific payment of principal or interest evidenced by such depositary receipt.

(2) In the event of an election to have Section 8.02 apply to any Notes or either series of Notes, the Issuer shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders and beneficial owners of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the deposit, Legal Defeasance and discharge to be effected with respect to such Notes and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would be the case if such deposit, Legal Defeasance and discharge had not occurred.

(3) In the event of an election to have Section 8.03 apply to any Notes or either series of Notes, the Issuer shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders and beneficial owners of such Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Notes and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) No event which is, or after notice or lapse of time or both would become, an Event of Default with respect to such Notes shall have occurred and be continuing at the time of such deposit.

(5) Such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Issuer is a party or by which it is bound.

(6) If the Notes are to be redeemed prior to their Stated Maturities (other than from mandatory sinking fund payments or analogous payments), notice of such redemption shall have been duly given pursuant to this Indenture or provision therefor satisfactory to the Trustee shall have been made.

(7) The Issuer shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Legal Defeasance or Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer if acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the written request of the Issuer any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which in the opinion of a nationally recognized firm of independent public accountants are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to the Issuer.

Subject to applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium on, if any, or interest, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes.

Without the consent of any Holders, the Issuer, when authorized by a resolution of the Issuer's Board of Directors, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) cure any ambiguity, to correct any mistake, to correct or supplement any provision in this Indenture that may be defective or inconsistent with any other provision in this Indenture, or to make other provisions in regard to matters or questions arising under this Indenture;
- (2) evidence that another Person has become a successor of an Obligor and that the successor assumes such Obligor's covenants, agreements, and obligations in this Indenture and in the Notes in accordance with this Indenture;
- (3) surrender any of the Obligors' rights or powers under this Indenture or add to the Obligors' covenants further covenants for the protection of the Holders of all or either series of Notes;

(4) add any additional Events of Default for the benefit of the Holders of all or either series of Notes;

(5) to conform any provision in this Indenture to the “Description of Notes” in the Issuer’s Offering Memorandum, dated May 5, 2020, relating to the Notes (the “*Offering Memorandum*”), to the extent that such provision in that “Description of Notes” was intended to be a verbatim recitation of a provision of this Indenture and the Notes, which intent may be evidenced by an Officer’s Certificate to that effect;

(6) to secure the Notes;

(7) provide for uncertificated Notes in addition to or in place of certificated Notes (*provided*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);

(8) make any change that does not adversely affect the rights of any Holder of Notes;

(9) to evidence and provide for the acceptance of appointment by a successor or separate trustee with respect to the Notes of one or more series and to add to or change any of the provisions of this Indenture as necessary to provide for the administration of this Indenture by more than one trustee, pursuant to the requirements of Section 7.08 hereof; or

(10) comply with the requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA.

Section 9.02 *With Consent of Holders of Notes.*

With the consent of the Holders of not less than a majority in principal amount of the outstanding Notes of each series affected by such supplemental indenture, by act of said Holders delivered to the Issuer and the Trustee, the Issuer, when authorized by a resolution of the Issuer’s Board of Directors, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture, or of modifying in any manner the rights of the Holders of Notes of such series under this Indenture; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each outstanding Notes affected thereby:

(1) reduce the principal amount of Notes of a series whose Holders must consent to an amendment or waiver;

(2) reduce the rate of or extend the time for payment of interest (including Default interest) on any Note;

(3) reduce the principal of or premium on or change the fixed maturity of any Note;

(4) waive a Default in the payment of the principal of, or premium and interest on, any Note (except a rescission of acceleration of Notes by the Holders of at least a majority in aggregate principal amount of the Notes);

(5) make the principal of, or premium and interest on, any Note payable in a currency other than U.S. dollars;

(6) amend the contractual right to institute suit for the enforcement of any payment of the principal of, and premium and interest (including Additional Amounts) on, the Notes on or after the due dates expressed or provided for in such Notes;

(7) make any change to the provisions relating to waivers or amendments;

(8) waive a redemption payment with respect to any Note; *provided* that such redemption is made at the option of the Issuer;

(9) make any change to the provisions relating to the guarantees by the Guarantors in any manner adverse to the Holders of the Notes; or

(10) make any change in the provisions of this Indenture described under Section 2.13 that adversely affects the right of any Holder of such Notes or amends the terms of such Notes in a way that would result in a loss of an exemption from any of the Taxes described thereunder or an exemption from any obligation to withhold or deduct Taxes so described thereunder unless the non-U.S. Payor agrees to pay Additional Amounts, if any, in respect thereof.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Notes, or which modifies the rights of the Holders of Notes of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Notes of any other series.

It shall not be necessary for any act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such act of Holders shall approve the substance thereof.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amended or supplemental indenture until the Board of Directors of the Issuer approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10.
SATISFACTION AND DISCHARGE

Section 10.01 *Satisfaction and Discharge.*

This Indenture will be discharged and cease to be of any further effect (except as to the surviving rights of the Trustee and the Issuer's obligations in connection therewith and of registration or exchange of Notes, as expressly provided for in this Indenture) as to all outstanding Notes of either series if:

(1) either

(a) the Issuer has delivered to the Trustee for cancellation all Notes of that series; or

(b) all Notes of that series not previously delivered to the Trustee for cancellation have become due and payable, will become due and payable within one year, or are to be called for redemption within one year under arrangements satisfactory to the Trustee, and in any such case the Issuer has deposited with the Trustee as trust funds the entire amount sufficient to pay at maturity or upon redemption all of the principal, premium and interest due with respect to those Notes;

(2) the Issuer has paid or caused to be paid all other sums payable hereunder by the Issuer; and

(3) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee under Section 7.07, the obligations of the Issuer to any authenticating agent under Section 2.02 and, if money shall have been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section, the obligations of the Trustee under Section 10.02 and the last paragraph of Section 2.04 shall survive.

Section 10.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 10.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer if acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 10.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 10.01 hereof; *provided* that if the Issuer has made any payment of principal of, premium on, if any, or interest, if any, on any Notes because of the reinstatement of their obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE 11.
GUARANTEES

Section 11.01 *Guarantee*

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, premium, if any, on, interest and Additional Interest, if any, on the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, interest and Additional Interest, if any, on, the Notes, if lawful, and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are full and unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenant that this guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either to the Trustee or such Holder, this guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the guarantee.

Section 11.02 *Limitation on Guarantor Liability*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar law to the extent applicable to any guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its guarantee not constituting a fraudulent transfer or conveyance.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its guarantee are knowingly made in contemplation of such benefits.

Section 11.03 *Releases*

(a) The guarantees by the Guarantors will be automatically and unconditionally released:

(1) upon the sale, exchange, disposition or other transfer (including through merger, consolidation, liquidation or dissolution) of all or substantially all of the assets of such Guarantor if such sale, exchange, disposition or other transfer (including through merger, consolidation, liquidation or dissolution) is made in compliance with this Indenture;

(2) upon the Issuer's exercise of its Legal Defeasance option or Covenant Defeasance option as described under Article 8, or if the Issuer's obligations under this Indenture are satisfied and discharged (including through redemption or repurchase of all of the Notes or otherwise) in accordance with Article 10 of this Indenture;

(3) upon the release of such Guarantor's obligations under the Existing Notes, except a discharge or release by or as a result of payment in connection with the enforcement of remedies under such obligations; or

(4) if at any time the aggregate principal amount of Indebtedness (without duplication) issued, borrowed or guaranteed by the Guarantors (collectively) (other than any Indebtedness represented by guarantees of the Notes, guarantees of Specified Indebtedness or guarantees of Indebtedness of third parties) constitutes (or, as a result of or after giving pro forma effect to any event or circumstance occurring or arising substantially concurrently with a contemplated release under this clause (4) or the preceding clauses (1) to (3), will constitute) no more than 20.0% of the aggregate principal amount of Indebtedness for borrowed money of the Issuer and its subsidiaries (other than any Indebtedness for borrowed money represented by guarantees of Indebtedness of third parties), on a consolidated basis, as of such time.

(b) The Issuer shall provide reasonably prompt written notice of the release of any guarantee to the Trustee and Holders of the Notes in accordance with the requirements described in Section 4.03.

The Trustee shall have the right, but shall not be required, to rely upon and comply with notices, instructions, directions or other communications sent by e-mail, facsimile and other similar unsecured electronic methods by Persons reasonably believed by the Trustee to be authorized to give instructions and directions on behalf of the Issuer. The Trustee shall have no duty or obligation to verify or confirm that the Person who sent such instructions or directions is, in fact, a Person authorized to give instructions or directions on behalf of the Issuer; *provided* that, if a certificate pursuant to Section 7.02(j) has been provided to the Trustee, such Person is identified on such certificate; and the Trustee shall have no liability for any losses, liabilities, costs or expenses incurred or sustained by the Issuer as a result of such reasonable reliance upon or compliance with such notices, instructions, directions or other communications. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit notices, instructions, directions or other communications to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties. The Issuer shall use all reasonable endeavors to ensure that any such notices, instructions, directions or other communications transmitted to the Trustee pursuant to this Indenture are complete and correct. Any such notices, instructions, directions or other communications shall be conclusively deemed to be valid instructions from the Issuer to the Trustee for the purposes of this Indenture.

Section 12.03 *Communication by Holders of Notes with Other Holders of Notes.*

Holders may communicate pursuant to TIA §312(b) with other Holders with respect to their rights under this Indenture or the Notes. The Issuer, the Trustee, the Registrar and anyone else shall have the protection of TIA §312(c).

Section 12.04 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Issuer to the Trustee to take any action under this Indenture (except in connection with the original issuance of the Notes on the date hereof), the Issuer shall furnish to the Trustee:

- (1) an Officer's Certificate (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of the signers, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been complied with; and
- (2) an Opinion of Counsel (which must include the statements set forth in Section 12.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with.

Section 12.05 *Statements Required in Certificate or Opinion.*

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to TIA §314(a)(4)) must comply with the provisions of TIA §314(e) and must include:

- (1) a statement that the Person making such certificate or opinion has read such covenant or condition;
- (2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with.

Section 12.06 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Issuer, as such, will have any liability for any obligations of the Issuer under the Notes, this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 *Governing Law.*

THE INDENTURE AND THE NOTES WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED THEREBY.

Section 12.09 *Consent to Jurisdiction.*

Any legal suit, action or proceeding arising out of or based upon this Indenture or the transactions contemplated hereby (“*Related Proceedings*”) may be instituted in the federal courts of the United States of America located in the City and County of New York or the courts of the State of New York in each case located in the City and County of New York (collectively, the “*Specified Courts*”), and each party irrevocably submits to the exclusive jurisdiction (except for suits, actions, or proceedings instituted in regard to the enforcement of a judgment of any Specified Court in a Related Proceeding, a “*Related Judgment*”, as to which such jurisdiction is non-exclusive) of the Specified Courts in any Related Proceeding. Service of any process, summons, notice or document by mail to such party’s address set forth above shall be effective service of process for any Related Proceeding brought in any Specified Court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any Related Proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim in any Specified Court that any Related Proceeding brought in any Specified Court has been brought in an inconvenient forum. Each party not located in the United States irrevocably appoints CSC Corporation as its agent to receive service of process or other legal summons for purposes of any Related Proceeding that may be instituted in any Specified Court.

Section 12.10 *Waiver of Immunity.*

With respect to any Related Proceeding, each party irrevocably waives, to the fullest extent permitted by applicable law, all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, service of process, attachment (both before and after judgment) and execution to which it might otherwise be entitled in the Specified Courts, and with respect to any Related Judgment, each party waives any such immunity in the Specified Courts or any other court of competent jurisdiction, and will not raise or claim or cause to be pleaded any such immunity at or in respect of any such Related Proceeding or Related Judgment, including, without limitation, any immunity pursuant to the United States Foreign Sovereign Immunities Act of 1976, as amended.

Section 12.11 *Judgment Currency.*

If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than U.S. dollars, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Holders could purchase U.S. dollars with such other currency in The City of New York on the Business Day preceding that on which final judgment is given. The obligations of each of the Issuer and Guarantors in respect of any sum due from them to any Holder shall, notwithstanding any judgment in any currency other than U.S. dollars, not be discharged until the first Business Day, following receipt by such Holder of any sum adjudged to be so due in such other currency, on which (and only to the extent that) such Holder may in accordance with normal banking procedures purchase U.S. dollars with such other currency; if the U.S. dollars so purchased are less than the sum originally due to such Holder hereunder, each of the Issuer and Guarantors agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Holder against such loss. If the U.S. dollars so purchased are greater than the sum originally due to such Holder hereunder, such Holder agrees to pay to the Issuer and the Guarantors (but without duplication) an amount equal to the excess of the U.S. dollars so purchased over the sum originally due to such Holder hereunder.

Section 12.12 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Issuer, the Guarantors or their Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.13 *Successors.*

All agreements of the Issuer and each Guarantor in this Indenture and the Notes will bind their respective successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 12.14 *Severability.*

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.15 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile, pdf or other electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile, pdf or other electronic methods shall be deemed to be their original signatures for all purposes.

Section 12.16 *USA PATRIOT Act.*

The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each Person that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the USA PATRIOT Act.

Section 12.17 *Legal Holidays.*

In any case where any Interest Payment Date, Redemption Date, Tax Redemption Date or Maturity Date is not a Business Day, then any action to be taken on such date need not be taken on such date, but may be taken on the next succeeding Business Day with the same force and effect as if taken on such date, and no interest shall accrue in respect of the delay.

Section 12.18 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Broadcom Inc., a Delaware corporation (the “*Issuer*”), promises to pay or cause to be paid interest on the principal amount of this Note at 3.459% per annum from _____, ____ until maturity and shall pay the Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. The Issuer will pay interest and Additional Interest, if any, semi-annually in arrears on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance to, but excluding, such Interest Payment Date or the Maturity Date, as applicable; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided further* that the first Interest Payment Date shall be _____, _____. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. All dollar amounts resulting from this calculation will be rounded to the nearest cent.

(2) *METHOD OF PAYMENT.* The Issuer will pay interest and Additional Interest on the Notes (except defaulted interest), if any, to the Persons who are registered Holders of Notes at the Close of Business on the March 1 or September 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, interest and Additional Interest, if any, at the office or agency of the Paying Agent and Registrar, or, at the option of the Issuer, payment of interest and Additional Interest, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Additional Interest, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, Wilmington Trust, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Issuer issued the Notes under an Indenture dated as of May 21, 2020 (the “*Indenture*”) among the Issuer, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*. The Notes are subject to optional redemption by the Issuer as provided in Section 3.07 of the Indenture.

(6) *MANDATORY REDEMPTION*. The Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *REDEMPTION FOR TAXATION REASONS*. The Notes are subject to redemption by the Issuer in the event of a Change in Tax Law as provided in Section 3.09 of the Indenture.

(8) *OFFER TO PURCHASE UPON CHANGE OF CONTROL TRIGGERING EVENT*. Upon the occurrence of a Change of Control Triggering Event, the Issuer will be required to make an offer to purchase the Notes as provided in Section 4.09 of the Indenture.

(9) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. SECTION 2. *Securities Subject to this Agreement.*

(a) *Transfer Restricted Securities.* The securities entitled to the benefits of this Agreement are the Transfer Restricted Securities.

(b) *Holders of Transfer Restricted Securities.* A Person is deemed to be a holder of Transfer Restricted Securities (each, a “**Holder**”) whenever such Person owns Transfer Restricted Securities.

SECTION 3. *Registered Exchange Offers.*

(a) Unless the Exchange Offers shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 6(a) hereof have been complied with), the Issuer and the Guarantors shall use commercially reasonable efforts to (i) cause to be filed with the Commission an Exchange Offer Registration Statement under the Securities Act relating to the Exchange Securities and the Exchange Offers, (ii) cause such Exchange Offer Registration Statement to become effective, (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Exchange Offer Registration Statement as may be necessary in order to cause such Exchange Offer Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Exchange Offer Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offers, and (iv) upon the effectiveness of such Exchange Offer Registration Statement, commence the Exchange Offers. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Transfer Restricted Securities and to permit resales of Initial Securities held by Broker-Dealers as contemplated by Section 3(c) hereof.

(b) The Issuer and the Guarantors shall cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offers open for a period of not less than the minimum period required under applicable federal and state securities laws to Consummate the Exchange Offers; *provided, however*, that in no event shall such period be less than 20 business days after the date notice of such Exchange Offers is delivered to the Holders (each such date, an “**Exchange Date**”). The Issuer shall cause the Exchange Offers to comply with all applicable federal and state securities laws. No securities other than the Exchange Securities shall be included in the Exchange Offer Registration Statement. The Issuer shall use its commercially reasonable efforts to cause the Exchange Offers to be Consummated no later than 60 days after the Exchange Offer Registration Statement has become effective, and in no event later than the date that is five years after the Settlement Date (or if such date is not a Business Day, the next succeeding Business Day).

(c) The Issuer shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Initial Securities that are Transfer Restricted Securities and that were acquired for its own account as a result of market-making activities or other trading activities (other than Transfer Restricted Securities acquired directly from the Issuer), may exchange such Initial Securities pursuant to the Exchange Offers; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Securities received by such Broker-Dealer in the Exchange Offers, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Initial Securities held by any such Broker-Dealer except to the extent required by the Commission as a result of a change in policy after the date of this Agreement.

The Issuer and the Guarantors shall use their commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Initial Securities acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 180 days from the date on which the Exchange Offer Registration Statement is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Issuer shall provide sufficient copies of the latest version of such Prospectus contained in such Exchange Offer Registration Statement to Broker-Dealers promptly upon request at any time during such 180-day (or shorter as provided in the foregoing sentence) period in order to facilitate such resales.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* In the event that (i) the Issuer determines that the Exchange Offers provided for in Section 3 hereof are not available or the Exchange Offers for Transfer Restricted Securities may not be completed as soon as practicable after the last Exchange Date with respect to the Exchange Offers because they would violate any applicable law or applicable interpretations of the Commission staff, (ii) such Exchange Offers are not for any other reason completed by the date that is five years after the Settlement Date (or if such date is not a Business Day, the next succeeding Business Day) or (iii) prior to the last Exchange Date with respect to the Exchange Offers, the Issuer

receives a written request (a “**Shelf Request**”) from any Holder representing that it holds Transfer Restricted Securities that are or were ineligible to be exchanged in such Exchange Offers, the Issuer and the Guarantors shall use their commercially reasonable efforts to cause to be filed with the Commission, as soon as practicable, but in any event within 30 days, after such determination date or the receipt of a Shelf Request, as the case may be (the “**Shelf Filing Deadline**”), a Shelf Registration Statement providing for the sale of all the Transfer Restricted Securities by the Holders thereof and to have such Shelf Registration Statement become effective on or before the 90th day after the Shelf Filing Deadline (or if such 90th day is not a Business Day, the next succeeding Business Day); *provided*, that (a) no Holder will be entitled to have any Transfer Restricted Securities included in any Shelf Registration Statement, or entitled to use the Prospectus forming a part of such Shelf Registration Statement, until such Holder shall have provided such other information regarding such Holder to the Issuer as is contemplated by Section 4(b) hereof and, if necessary, the Shelf Registration Statement has been amended to reflect such information, and (b) the Issuer and the Guarantors shall be under no obligation to file any such Shelf Registration Statement before they are obligated to consummate the Exchange Offers pursuant to Section 3 hereof.

In the event that the Issuer and the Guarantors are required to cause to be filed with the Commission a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Issuer and the Guarantors shall use their commercially reasonable efforts to cause to be filed with the Commission and have become effective both an Exchange Offer Registration Statement pursuant to Section 3 hereof with respect to all Transfer Restricted Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Transfer Restricted Securities held by such Holders after completion of the Exchange Offers.

The Issuer and the Guarantors shall use their commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the date on which the Initial Securities covered thereby cease to be Transfer Restricted Securities (the “**Shelf Effectiveness Period**”). The Issuer and the Guarantors further agree to use their commercially reasonable efforts to supplement or amend the Shelf Registration Statement, the related Prospectus and any Free Writing Prospectus if required by the rules, regulations or instructions applicable to the registration form used by the Issuer and the Guarantors for such Shelf Registration Statement or by the Securities Act or by any other rules and regulations thereunder or if reasonably requested by a Holder of Transfer Restricted Securities with respect to information relating to such Holder, and to use their commercially reasonable efforts to cause any such amendment to become effective, if required, and such Shelf Registration Statement, Prospectus or Free Writing Prospectus, as the case may be, to become usable as soon as thereafter practicable. The Issuer and the Guarantors agree to furnish to the Holders copies of any such supplement or amendment promptly after it has been used or filed with the Commission, as reasonably requested by the Holders.

Notwithstanding anything to the contrary in this Agreement, at any time, the Issuer may delay the filing of any Shelf Registration Statement or delay or suspend the effectiveness thereof, for a reasonable period of time, but not in excess of 30 consecutive days or more than on two occasions during any 12-month period, but in any event not more than 90 days in the aggregate (whether or not consecutive) in any 12-month period (each, a “**Shelf Suspension Period**”), if the

Board of Directors of the Issuer determines reasonably and in good faith that the filing of any such Shelf Registration Statement or the continuing effectiveness thereof would require the disclosure of non-public material information that, in the reasonable judgment of the Board of Directors of the Issuer, would be detrimental to the Issuer if so disclosed or would otherwise materially adversely affect a financing, acquisition, disposition, merger or other material transaction or such action is required by applicable law. Any Shelf Suspension Period pursuant to this Section 4(a) shall begin on the date specified in a written notice given by the Issuer to the Holders and shall end on the date specified in a subsequent written notice given by the Issuer to the Holders.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Transfer Restricted Securities may include any of its Transfer Restricted Securities in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Issuer in writing, within 15 Business Days after receipt of a request therefor, such information as the Issuer may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Issuer all information required to be disclosed in order to make the information previously furnished to the Issuer by such Holder not materially misleading.

SECTION 5. *Additional Interest.* If (i) the Exchange Offers have not been Consummated on or prior to the date that is five years after the Settlement Date (or if such date is not a Business Day, the next succeeding Business Day) or, if a Shelf Registration Statement is required hereunder, a Shelf Registration Statement in accordance with this Agreement has not been declared effective on or prior to such date or (ii) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose during the Effectiveness Period (except as specifically permitted herein, including with respect to any Shelf Suspension Period as provided in Section 4(a) hereof or because of the sale of all Transfer Restricted Securities under such Registration Statement) without being succeeded immediately by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) and (ii), a “**Registration Default**”), the Issuer hereby agrees that the interest rate borne by the Transfer Restricted Securities shall be increased by 0.250% per annum during the 90-day period immediately following the occurrence of any Registration Default and shall increase by 0.250% per annum at the end of each subsequent 90-day period, but in no event shall such increase exceed 1.000% per annum. Following the cure of all Registration Defaults relating to any particular Transfer Restricted Securities, the interest rate borne by the relevant Transfer Restricted Securities will be reduced to the original interest rate borne by such Transfer Restricted Securities; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Transfer Restricted Securities shall again be increased pursuant to the foregoing provisions. A Registration Default ends with respect to any Initial Securities when such Initial Securities cease to be Transfer Restricted Securities.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offers, the Issuer and the Guarantors shall comply with all of the provisions of Section 6(c) hereof, shall use their commercially reasonable efforts to effect such exchange to permit the sale of Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provisions:

(i) If in the reasonable opinion of counsel to the Issuer there is a question as to whether the Exchange Offers are permitted by applicable law, the Issuer and the Guarantors hereby agree to seek a no-action letter or other favorable decision from the Commission allowing the Issuer and the Guarantors to consummate the Exchange Offers for such Initial Securities. The Issuer and the Guarantors hereby agree to pursue the issuance of such a decision to the Commission staff level but shall not be required to take commercially unreasonable action to effect a change of Commission policy. The Issuer and the Guarantors hereby agree, however, to (A) participate in telephonic conferences with the Commission, (B) deliver to the Commission staff an analysis prepared by counsel to the Issuer setting forth the legal bases, if any, upon which such counsel has concluded that such Exchange Offers should be permitted and (C) diligently pursue a favorable resolution by the Commission staff of such submission.

(ii) As a condition to its participation in the Exchange Offers pursuant to the terms of this Agreement, each Holder of Transfer Restricted Securities shall furnish, upon the request of the Issuer, prior to the consummation thereof, a written representation to the Issuer (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Issuer, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Securities to be issued in the Exchange Offers and (C) it is acquiring the Exchange Securities in its ordinary course of business. In addition, all such Holders of Transfer Restricted Securities shall otherwise cooperate in the Issuer's preparations for the Exchange Offers. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offers to participate in a distribution of the securities to be acquired in the Exchange Offers (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Securities obtained by such Holder in exchange for Initial Securities acquired by such Holder directly from the Issuer.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, the Issuer and the Guarantors shall comply with all the provisions of Section 6(c) hereof and shall use their commercially reasonable efforts to effect such registration to permit the sale of the Transfer Restricted Securities being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto the Issuer and the Guarantors will as expeditiously as possible prepare and file with the Commission a Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the offer and sale of the Transfer Restricted Securities in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Transfer Restricted Securities (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Initial Securities by Broker-Dealers), the Issuer and the Guarantors shall:

(i) use their commercially reasonable efforts to keep such Registration Statement continuously effective and provide all requisite financial statements (including, if required by the Securities Act or any regulation thereunder, financial statements of the Guarantors for the period specified in Section 3 or 4 hereof, as applicable); upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Transfer Restricted Securities during the period required by this Agreement, the Issuer shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use their commercially reasonable efforts to cause such amendment to be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(ii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Transfer Restricted Securities covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rule 424 under the Securities Act, and to comply fully with the applicable provisions of Rules 424 and 430A under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iii) advise the selling Holders promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become effective, (B) of any

request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or of the suspension by any state securities commission of the qualification of the Transfer Restricted Securities for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, or (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Transfer Restricted Securities under state securities or blue sky laws, the Issuer and the Guarantors shall use their commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(iv) furnish without charge to each selling Holder named in any Registration Statement, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (including all documents incorporated by reference after the initial filing of such Registration Statement), which documents will be subject to the reasonable review and comment of such Holders in connection with such sale, if any, for a period of at least five Business Days, and the Issuer will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus (including all such documents incorporated by reference) to which an such Holder of Transfer Restricted Securities covered by such Registration Statement shall reasonably object in writing within three Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of telecopy transmission within such period). The objection of a Holder shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(v) make the Issuer's and the Guarantors' representatives available for discussion of customary due diligence matters;

(vi) make available at reasonable times for inspection by the selling Holders participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by any such Holder all financial and other records, pertinent corporate documents and properties of the Issuer and the Guarantors and cause the Issuer's and the Guarantors' officers, directors and employees to supply all information reasonably requested by any such Holder, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness;

(vii) if requested by any selling Holders promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Transfer Restricted Securities and any other terms of the offering of the Transfer Restricted Securities to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Issuer is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(viii) furnish to each selling Holder without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference) if such documents are not available via EDGAR;

(ix) deliver to each selling Holder without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Issuer and the Guarantors hereby consent to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders in connection with the offering and the sale of the Transfer Restricted Securities covered by the Prospectus or any amendment or supplement thereto if such documents are not available via EDGAR;

(x) enter into such agreements, and make such representations and warranties, and take all such other actions in connection therewith in order to expedite or facilitate the disposition of the Transfer Restricted Securities pursuant to any Registration Statement contemplated by this Agreement, all to such extent as may be requested by the Dealer-Managers or any Holder of Transfer Restricted Securities in connection with any sale or resale pursuant to any Registration Statement contemplated by this Agreement; and the Issuer and the Guarantors shall:

(A) furnish to each selling Holder and each underwriter, if any, in such substance and scope as they may request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the Consummation of the Exchange Offers or, if applicable, the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the date of Consummation of the Exchange Offers or the date of effectiveness of the Shelf Registration Statement, as the case may be, signed by (y) the President or any Vice President and (z) a principal financial or accounting officer of each of the Issuer and the Guarantors, confirming, as of the date thereof, the matters set forth Section 10(i) of the Dealer Manager Agreement and such other matters as such parties may reasonably request;

(2) opinions, dated the date of Consummation of the Exchange Offers or the date of effectiveness of the Shelf Registration Statement, as the case may be, of counsel for the Issuer and the Guarantors, covering the matters set forth in Section 10(d) of the Dealer Manager Agreement and such other matters as such parties may reasonably request; and

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Issuer's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings, and covering or affirming the matters set forth in the comfort letters delivered pursuant to Section 10(f) of the Dealer Manager Agreement, without exception;

(B) set forth in full the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(x)(A) hereof and with any customary conditions contained in any agreement entered into by the Issuer or any of the Guarantors pursuant to this Section 6(c)(x), if any.

If at any time the representations and warranties of the Issuer and the Guarantors contemplated in Section 6(c)(x)(A)(1) hereof cease to be true and correct, the Issuer or the Guarantors shall so advise each selling Holder and any underwriter(s) promptly and, if requested by such Persons, shall confirm such advice in writing;

(xi) prior to any public offering of Transfer Restricted Securities, cooperate with the selling Holders and their respective counsel in connection with the registration and qualification of the Transfer Restricted Securities under the state securities or blue sky laws of such jurisdictions as the selling Holders may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Transfer Restricted Securities covered by the Shelf Registration Statement; *provided, however*, that none of the Issuer or the Guarantors shall be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xii) issue, upon the request of any Holder of Initial Securities covered by the Shelf Registration Statement, Exchange Securities having an aggregate principal amount equal to the aggregate principal amount of Initial Securities surrendered to the Issuer by such Holder in exchange therefor or being sold by such Holder; such Exchange Securities to be registered in the name of such Holder or in the name of the purchaser(s) of such Initial Securities, as the case may be; in return, the Initial Securities held by such Holder shall be surrendered to the Issuer for cancellation;

(xiii) cooperate with the selling Holders to facilitate the timely preparation and delivery of certificates representing Transfer Restricted Securities to be sold and not bearing any restrictive legends; and enable such Transfer Restricted Securities to be in such denominations and registered in such names as the Holders may request at least two Business Days prior to any sale of Transfer Restricted Securities made by such Holders;

(xiv) use their commercially reasonable efforts to cause the Transfer Restricted Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof to consummate the disposition of such Transfer Restricted Securities, subject to the proviso contained in Section 6(c)(xi) hereof;

(xv) if any fact or event contemplated by Section 6(c)(iii)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Transfer Restricted Securities, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading;

(xvi) provide a CUSIP number for all Exchange Securities not later than the effective date of the Registration Statement covering such Initial Securities and provide the Trustee under the Indenture with printed certificates for such Exchange Securities which are in a form eligible for deposit with The Depository Trust Company and take all other action necessary to ensure that all such Exchange Securities are eligible for deposit with The Depository Trust Company;

(xvii) cooperate and assist in any filings required to be made with FINRA;

(xviii) otherwise use their commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earning statement meeting the requirements of Rule 158 (which need not be audited) for the twelve-month period beginning with the first month of the Issuer's first fiscal quarter commencing after the effective date of the Registration Statement;

(xix) cause the Indenture to be qualified under the Trust Indenture Act not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Securities to effect such changes to the Indenture as may be required for such Indenture to be so qualified in accordance with the terms of the Trust Indenture Act; and to execute and use their commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner; and

(xx) provide promptly to each Holder upon request each document filed with the Commission pursuant to the requirements of Section 13 and Section 15 of the Exchange Act if not available via EDGAR.

Each Holder agrees by acquisition of a Transfer Restricted Security that, upon receipt of any notice from the Issuer of the existence of any fact of the kind described in Section 6(c)(iii)(D) hereof, such Holder will forthwith discontinue disposition of Transfer Restricted Securities pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xv) hereof, or until it is advised in writing (the "Advice") by the Issuer that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Issuer, each Holder will deliver to the Issuer (at the Issuer's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Transfer Restricted Securities that was current at the time of receipt of such notice. In the event the Issuer shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iii)(D) hereof to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xv) hereof or shall have received the Advice; *provided, however*, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Issuer's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

SECTION 7. *Registration Expenses.*

(a) All expenses incident to the Issuer's and the Guarantors' performance of or compliance with this Agreement will be borne by the Issuer and the Guarantors, jointly and severally, regardless of whether a Registration Statement becomes effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by any Dealer-Manager or Holder with the FINRA (and, if applicable, the fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and regulations of the FINRA)); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws; (iii) all expenses of printing (including printing certificates for the Exchange Securities to be issued in the Exchange Offers and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Issuer, the Guarantors and, subject to Section 7(b) hereof, the Holders of Transfer Restricted Securities; (v) all fees and expenses of the Trustee and any exchange agent and their counsel; (vi) all application and filing fees in connection with listing the Exchange Securities on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vii) all fees and disbursements of independent certified public accountants of the Issuer and the Guarantors (including the expenses of any special audit and comfort letters required by or incident to such performance).

Each of the Issuer and the Guarantors will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Issuer or the Guarantors.

(b) In connection with any Shelf Registration Statement required by this Agreement, the Issuer and the Guarantors, jointly and severally, will reimburse the Holders of Transfer Restricted Securities being registered pursuant to the Shelf Registration Statement for the reasonable and documented fees and disbursements of not more than one counsel, who shall be Simpson Thacher & Bartlett LLP or such other counsel as may be chosen by the Holders of a majority in principal amount of the Transfer Restricted Securities for whose benefit such Shelf Registration Statement is being prepared.

SECTION 8. *Indemnification.*

(a) The Issuer and the Guarantors, jointly and severally, agree to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a "controlling person") and (iii) the respective officers, directors, partners, employees, representatives and agents of any Holder or any controlling person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an "**Indemnified Holder**"), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable fees and expenses of one counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with (i) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Issuer by any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability which any of the Issuer or the Guarantors may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Issuer or the Guarantors, such Indemnified Holder (or the Indemnified Holder controlled by such controlling person) shall promptly notify the Issuer and the Guarantors in writing; *provided, however*, that the failure to give such notice shall not relieve

any of the Issuer or the Guarantors of their obligations pursuant to this Agreement except to the extent that they have been prejudiced by such failure and shall not relieve the Issuer or the Guarantors from any liability which they may have to any Indemnified Holder other than under this Agreement. The Issuer and the Guarantors shall be entitled to participate therein and, to the extent that they shall elect, jointly with any other indemnifying party similarly notified, by written notice delivered to the Indemnified Holder promptly after receiving the aforesaid notice from such Indemnified Holder, to assume the defense thereof, with counsel reasonably satisfactory to such Indemnified Holder. If the Issuer or the Guarantors do not elect to so assume the defense thereof within a reasonable time after notice of commencement of the action, the Indemnified Holders shall have the right to employ one counsel of its own in any such action and the reasonable fees and expenses of such counsel shall be paid, as incurred, by the Issuer and the Guarantors. The Issuer and the Guarantors shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any one local counsel in each applicable jurisdiction) at any time for such Indemnified Holders, which firm shall be designated by the Issuer and the Guarantors and be reasonably satisfactory to the Indemnified Holders. The Issuer and the Guarantors shall be liable for any settlement of any such action or proceeding effected with the Issuer's and the Guarantors' prior written consent, which consent shall not be withheld unreasonably, and each of the Issuer and the Guarantors agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Issuer and the Guarantors. The Issuer and the Guarantors shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding.

(b) Each Holder of Transfer Restricted Securities agrees, severally and not jointly, to indemnify and hold harmless the Issuer, the Guarantors and their respective directors, officers who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any of the Issuer or the Guarantors, and the respective officers, directors, partners, employees, representatives and agents of each such Person, to the same extent as the foregoing indemnity from the Issuer and the Guarantors to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Issuer, the Guarantors or their respective directors or officers or any such controlling person in respect of which indemnity may be sought against a Holder of Transfer Restricted Securities, such Holder shall have the rights and duties given the Issuer and the Guarantors, and the Issuer, the Guarantors, their respective directors and officers and such controlling person shall have the rights and duties given to each Holder by the preceding paragraph.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative benefits received by the Issuer and the Guarantors, on the one hand, and the Holders, on the other hand, from the Initial Exchange Offer (which in the case of the Issuer and the Guarantors shall be deemed to be equal to the aggregate value of the consideration paid or proposed to be paid to the holders of the Old Notes pursuant to the Initial Exchange Offer), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Issuer and the Guarantors, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Issuer and the Guarantors on the one hand and of the Indemnified Holder on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer or the Guarantors, on the one hand, or the Indemnified Holders, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Issuer, the Guarantors and each Holder of Transfer Restricted Securities agree that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Initial Securities or Exchange Securities sold by such Holder exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Initial Securities held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* Each of the Issuer and the Guarantors hereby agrees with each Holder, for so long as any Transfer Restricted Securities remain outstanding (unless the Issuer and the Guarantors are subject to and comply with Section 13 or 15(d) of the Exchange Act or file the periodic reports contemplated by such provisions pursuant to the Indenture), to make available to any Holder or beneficial owner of Transfer Restricted Securities in connection with any sale thereof and any prospective purchaser of such Transfer Restricted Securities from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Transfer Restricted Securities pursuant to Rule 144A under the Securities Act.

SECTION 10. Termination of Guarantor Obligations

If at any time a Guarantor under this Agreement is released and discharged from its Guarantee pursuant to the Indenture, such Guarantor's obligations under this Agreement shall automatically and unconditionally terminate.

SECTION 11. Miscellaneous.

(a) *Remedies.* Each of the Issuer and the Guarantors hereby agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agree to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* None of the Issuer and the Guarantors will, on or after the date of this Agreement, enter into any agreement with respect to their securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. None of the Issuer or the Guarantors has previously entered into any agreement granting any registration rights with respect to the Initial Securities to any Person. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any of the Issuer's or the Guarantors' securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Initial Securities.* The Issuer will not take any action, or permit any change to occur, with respect to the Initial Securities that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offers.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Issuer has (i) in the case of Section 5 hereof and this Section 11(d)(i), obtained the written consent of Holders of all outstanding Transfer Restricted Securities and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Transfer Restricted Securities (excluding any Transfer Restricted Securities held by the Issuer or its affiliates). Notwithstanding the foregoing, a waiver

or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offers and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offers may be given by the Holders of a majority of the outstanding principal amount of Transfer Restricted Securities being tendered or registered; *provided, however*, that, with respect to any matter that directly or indirectly affects the rights of any Dealer-Manager hereunder, the Issuer shall obtain the written consent of each such Dealer-Manager with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.
