CALCULATION OF FILING FEE

| Transaction valuation* | Amount of filing fee** |
|-------------------------------|-------------------------------|
| \$618,792,821 | \$71,904 |

* Estimated solely for purposes of calculating the filing fee. The transaction value was determined by adding (i) 72,444,645, the number of outstanding shares of Emulex Corporation common stock, multiplied by \$8.00, the offer price, (ii) 1,074,846, the number of shares issuable pursuant to outstanding options with an exercise price less than the offer price of \$8.00 per share, multiplied by \$1.84, which is the offer price of \$8.00 minus the weighted average exercise price for such options of \$6.16 per share, (iii) restricted stock unit awards covering 2,790,832 shares of Emulex Corporation common stock multiplied by the offer price of \$8.00 per share, (iv) 1,422,597 shares that are subject to other outstanding stock awards multiplied by the offer price of \$8.00 per share and (v) 444,000 shares estimated to be subject to issuance pursuant to Emulex Corporation's Employee Stock Purchase Plan multiplied by the offer price of \$8.00 per share. The foregoing share figures have been provided by the issuer to the offerors and are as of April 3, 2015, the most recent practicable date.

** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2015, issued August 29, 2014, by multiplying the transaction value by 0.0001162.

This Amendment No. 2 (this "Amendment") amends and supplements the Tender Offer Statement on Schedule TO (together with any subsequent amendments and supplements thereto, the "Schedule TO"), filed with the United States Securities and Exchange Commission on April 7, 2015 by (i) Emerald Merger Sub, Inc. (the "Purchaser"), a Delaware corporation and a wholly owned subsidiary of Avago Technologies Wireless (U.S.A.) Manufacturing Inc. ("Parent"), (ii) Parent, a Delaware corporation and an indirect wholly owned subsidiary of Avago Technologies Limited ("Avago") and (iii) Avago, a company organized under the laws of the Republic of Singapore. The Schedule TO relates to the offer by Purchaser to purchase all of the outstanding shares of common stock, par value \$0.10 per share (the "Shares"), of Emulex Corporation (the "Company"), a Delaware corporation, at a price of \$8.00 per Share, in cash, without interest, subject to any withholding of taxes required by applicable law, upon the terms and subject to the conditions described in the Offer to Purchase, dated April 7, 2015 (as it may be amended or supplemented from time to time, the "Offer to Purchase"), and in the related letter of transmittal (as it may be amended or supplemented from time to time, the "Letter of Transmittal"), copies of which are attached hereto as Exhibits (a)(1)(i) and (a)(1)(ii), respectively, which Offer to Purchase and Letter of Transmittal collectively constitute the "Offer."

The information in the Offer to Purchase and the Letter of Transmittal is incorporated in this Amendment by reference to all of the applicable items in the Schedule TO, except that such information is amended and supplemented to the extent specifically provided in this Amendment. Capitalized terms used and not otherwise defined in this Amendment shall have the meanings assigned to such terms in the Offer to Purchase or in the Schedule TO.

The items of the Schedule TO set forth below are hereby amended and supplemented as follows:

Items 1–11.

The Offer to Purchase and Items 1 through 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended and supplemented as follows:

The Offer expired as scheduled at 12:00 midnight, New York City time, on May 5, 2015 (one minute after 11:59 P.M., New York City time, on May 4, 2015) and was not extended. The Depository advised Parent and the Purchaser that, as of the Expiration Date, a total of 60,493,783 Shares had been validly tendered into and not properly withdrawn from the Offer, which tendered Shares represented approximately 60.58% of the Shares outstanding on a fully diluted basis (as defined in the Offer to Purchase).

The number of Shares validly tendered in accordance with the terms of the Offer and not properly withdrawn prior to the Expiration Date satisfied the Minimum Condition. All conditions to the Offer having been satisfied (or waived), Purchaser accepted for payment and will promptly pay for all such Shares validly tendered into and not properly withdrawn prior to the Expiration Date.

Parent and the Purchaser expect the Merger to become effective as soon as possible following the consummation of the Offer, without a meeting of stockholders of the Company in accordance with Section 251(h) of Delaware Law, with the Company continuing as the Surviving Corporation and a wholly owned subsidiary of Parent. At the Effective Time, each Share issued and outstanding immediately prior to the Effective Time will be converted into the right to receive cash in an amount equal to the Offer Price, without interest, subject to any withholding of taxes required by applicable law, except for Shares (i) then-owned by Parent or any of its direct or indirect wholly owned subsidiaries, including the Purchaser, or held in treasury by the Company, which will be cancelled and no payment made with respect thereto or (ii) held by any Company stockholder who is entitled to demand and properly has demanded appraisal for such Shares in accordance and full compliance with Section 262 of Delaware Law (unless such stockholder fails to perfect, withdraws, waives or loses the right to appraisal).

Following the completion of the Merger, the Shares will cease to be traded on the NYSE and will be delisted.

On May 5, 2015, Avago, on behalf of itself, Parent and Purchaser, issued a press release announcing the expiration and results of the Offer. The full text of the press release is attached as Exhibit (a)(5)(iv) to the Schedule TO.

Item 12. Exhibits.

Item 12 of the Schedule TO is hereby amended and supplemented by adding the following exhibits:
