## ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

On July 19, 2000 Broadcom Corporation (the "Company") completed the acquisition of Innovent Systems, Inc. ("Innovent") in accordance with the Merger Agreement and Plan of Reorganization dated as of June 10, 2000 between the Company and Innovent, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

Innovent is engaged in the development and commercial integration of radio frequency ("RF") integrated circuits for wireless data communications. Innovent targets low-cost applications requiring short-range wireless connectivity as embodied by the Bluetooth(TM) and other communications protocols.

In connection with the acquisition, the Company issued an aggregate of 2,339,149 shares of its Class A common stock in exchange for all outstanding shares of Innovent preferred and common stock that it did not already own and reserved 605,961 additional shares of Class A common stock for issuance upon exercise of outstanding employee stock options of Innovent. The share issuances were exempt from registration pursuant to section 3(a)(10) of the Securities Act of 1933, as amended. Portions of the shares issued will be held in escrow pursuant to the terms of the acquisition agreement as well as various employee share repurchase agreements.

An officer of the Company served as a director of Innovent from the Company's investment in Innovent in April 1999 until the acquisition was completed.

The merger transaction will be accounted for under the purchase method of accounting. The Company expects to record a one-time write-off for purchased in-process research and development expenses related to the acquisition in its third fiscal quarter (ending September 30). The amount of the write-off has not yet been determined. The merger is intended to constitute a tax-free reorganization under Section 368(a) of the Internal Revenue Code.

The Company's press release announcing the completion of the acquisition was filed as exhibit 99.2 to the Current Report on Form 8-K dated July 18, 2000, filed with the Securities and Exchange Commission, and is incorporated herein by reference.

MERGER AGREEMENT AND  
PLAN OF REORGANIZATION

This MERGER AGREEMENT AND PLAN OF REORGANIZATION is made and entered into as of June 10, 2000, by and among Broadcom Corporation, a California corporation ("Broadcom"), and Innovent Systems, Inc., a California corporation (the "Company"), and, with respect to Section 7.2 only, David Mandel, as Shareholder Agent, and U.S. Stock Transfer Corporation, as Depositary Agent. Capitalized terms used and not otherwise defined herein have the meanings set forth in Article 10.

RECITALS

A. The Boards of Directors of each of Broadcom and the Company believe it is in the best interests of Broadcom and the Company (as applicable) and their respective shareholders that Broadcom acquire the Company through the merger of the Company with and into Broadcom (the "Merger") and, in furtherance thereof, have approved the Merger, this Agreement and the transactions contemplated hereby.

B. Pursuant to the Merger, among other things, and subject to the terms and conditions of this Agreement, (i) all of the shares of capital stock of the Company which are issued and outstanding immediately prior to the Effective Time of the Merger shall be converted into the right to receive shares of Class A common stock, par value \$0.0001 per share, of Broadcom ("Broadcom Common Stock") and (ii) any Company Options, Company Warrants and Company Stock Purchase Rights then outstanding (whether vested or unvested) will become exercisable for Broadcom Common Stock, on the terms and subject to the conditions set forth herein.

C. As a condition and an inducement to the willingness of Broadcom to enter into this Agreement, certain shareholders of the Company have concurrently herewith entered into (i) Support Agreements with Broadcom in substantially the form attached hereto as Exhibit A ("Support Agreements") pursuant to which, among other things, such shareholders have agreed to vote the shares of Company Capital Stock owned by them in favor of the Merger and (ii) Repurchase Agreements with Broadcom in substantially the form attached hereto as Exhibit K ("Repurchase Agreements") pursuant to which such shareholders have agreed that certain of the shares of Broadcom Common Stock that such shareholders will receive in connection with the Merger will be subject to a repurchase right in favor of Broadcom.

D. As a condition and a further inducement to Broadcom to enter into this Agreement, certain employees of the Company have concurrently herewith entered into or will enter into Non-Competition Agreements substantially in the form attached hereto as Exhibit B (the "Non-Competition Agreements"), each of which shall become effective at the Effective Time.

E. Broadcom and the Company intend that the Merger shall constitute a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, and in

furtherance thereof intend that this Agreement shall be a "Plan of Reorganization" within the meaning of Sections 354(a) and 361(a) of the Internal Revenue Code.

F. The Company and Broadcom desire to make certain representations, warranties, covenants and agreements in connection with the Merger.

G. A portion of the shares of Broadcom Common Stock otherwise issuable or reserved for issuance by Broadcom in connection with the Merger shall be placed in escrow by Broadcom, the release of which amount shall be contingent upon certain events and conditions, all as set forth in Article 7 herein.

NOW, THEREFORE, in consideration of the covenants, promises, representations and warranties set forth herein, and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged by the parties), intending to be legally bound hereby, the parties agree as follows:

ARTICLE 1  
THE MERGER

1.1. The Merger. At the Effective Time and upon the terms and subject to the conditions of this Agreement and the applicable provisions of the California Code, the Company shall be merged with and into Broadcom, the separate corporate existence of the Company shall cease, and Broadcom shall continue as the surviving corporation. Broadcom is sometimes referred to herein as the "Surviving Corporation."

1.2. Effective Time. Unless this Agreement is earlier terminated pursuant to Section 8.1, the closing of the Merger (the "Closing") will take place on July 3, 2000 (or such other later date as Broadcom and the Company may mutually agree) following satisfaction or waiver of the conditions set forth in Article 6 at the offices of Irell & Manella LLP, 1800 Avenue of the Stars, Suite 900, Los Angeles, California, unless another place or time is agreed to by Broadcom and the Company. The date upon which the Closing actually occurs is herein referred to as the "Closing Date." On the Closing Date, the parties hereto shall cause the Merger to be consummated by filing a California Agreement of Merger (or like instrument), in substantially the form attached hereto as Exhibit C (the "California Agreement of Merger"), with the Secretary of State of the State of California in accordance with the relevant provisions of applicable law (the time of acceptance by the Secretary of State of the State of California of such filing or such later time as may be agreed to by the parties and set forth in the Agreement of Merger being referred to herein as the "Effective Time").

1.3. Effect of the Merger on Constituent Corporations. At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the California Code. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of Broadcom and the Company shall vest in the Surviving Corporation, and all debts, liabilities, obligations, restrictions, disabilities and duties of Broadcom and the Company shall become the debts, liabilities, obligations, restrictions, disabilities and duties of the Surviving Corporation.

#### 1.4. Articles of Incorporation and By-Laws of Surviving Corporation.

(a) At the Effective Time, the articles of incorporation of Broadcom, as in effect immediately prior to the Effective Time, shall be the articles of incorporation of the Surviving Corporation until thereafter amended as provided by law and such articles of incorporation and by-laws of the Surviving Corporation.

(b) The by-laws of Broadcom, as in effect immediately prior to the Effective Time, shall be the by-laws of the Surviving Corporation until thereafter amended as provided by such by-laws, the articles of incorporation and applicable law.

1.5. Directors and Officers of Surviving Corporation. The directors of Broadcom immediately prior to the Effective Time shall be the directors of the Surviving Corporation, each to hold office in accordance with the articles of incorporation and by-laws of the Surviving Corporation. The officers of Broadcom immediately prior to the Effective Time shall be the officers of the Surviving Corporation, each to hold office in accordance with the by-laws of the Surviving Corporation.

1.6. Maximum Number of Shares of Broadcom Common Stock to be Issued; Effect on Outstanding Securities of the Company. The maximum number of shares of Broadcom Common Stock to be issued (including Broadcom Common Stock to be reserved for issuance upon exercise of any of the Company Options, Company Warrants or Company Stock Purchase Rights to be assumed by Broadcom as provided herein) in exchange for the acquisition by Broadcom of all shares of Company Capital Stock which are issued and outstanding immediately prior to the Effective Time and all vested and unvested Company Options, Company Warrants and Company Stock Purchase Rights which are then outstanding (other than any Company Warrants which by their terms expire without payment, conversion, adjustment or other consideration at the Effective Time) shall be the Aggregate Share Number. No adjustment shall be made in the number of shares of Broadcom Common Stock issued in the Merger as a result of any consideration (in any form whatsoever) received by the Company from the date hereof to the Effective Time as a result of any exercise, conversion or exchange of Company Options, Company Warrants or Company Stock Purchase Rights. On the terms and subject to the conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Broadcom, the Company or the holder of any shares of the Company Capital Stock or Company Options, Company Warrants or Company Stock Purchase Rights, the following shall occur:

(a) Conversion of Company Capital Stock. Each share of Company Capital Stock issued and outstanding immediately prior to the Effective Time (other than any shares of Company Capital Stock to be cancelled pursuant to Section 1.6(b) and any Dissenting Shares (as provided in Section 1.10)) will be cancelled and extinguished and each share of Company Common Stock which is issued and outstanding immediately prior to the Effective Time shall be converted automatically into the right to receive, following the expiration or early termination of any waiting period under the HSR Act which is applicable to the holder of such share, that number of shares of Broadcom Common Stock equal to the Exchange Ratio, subject to Section 1.9.

(b) Cancellation of Broadcom-Owned and Company-Owned Stock. Each share of Company Capital Stock owned by Broadcom or the Company or any Subsidiary of Broadcom or the Company immediately prior to the Effective Time shall be automatically canceled and extinguished without any conversion thereof and without any further action on the part of Broadcom or the Company.

(c) Capital Stock of Broadcom. Each share of Broadcom Common Stock and share of Class B Common Stock, par value \$0.0001 per share, of Broadcom which is issued and outstanding immediately prior to the Effective Time shall remain outstanding as one validly issued, fully paid and nonassessable share of the same class of common stock of the Surviving Corporation, with identical rights and privileges. From and after the Effective Time, each share certificate of Broadcom theretofore evidencing ownership of any such shares shall continue to evidence ownership of such shares of capital stock of the Surviving Corporation.

(d) Company Options and Company Stock Plans. All unexpired and unexercised Company Options, Company Warrants and Company Stock Purchase Rights, then outstanding, whether vested or unvested, together with the Company Stock Plans, shall be assumed by Broadcom in accordance with provisions described below.

(i) Each unexpired and unexercised Company Option, Company Warrant and Company Stock Purchase Right then outstanding, whether vested or unvested, shall be, in connection with the Merger, assumed by Broadcom, together with the Company Stock Plans. Each Company Option, Company Warrant and Company Stock Purchase Right so assumed by Broadcom under this Agreement shall continue to have, and be subject to, the same terms and conditions as were applicable to such Company Option, Company Warrant or Company Stock Purchase Right immediately prior to the Effective Time (including, but not limited to, any repurchase rights or vesting provisions), provided that (A) such Company Option, Company Warrant or Company Stock Purchase Right, as the case may be, shall be exercisable for that number of whole shares of Broadcom Common Stock equal to the product of the number of shares of Company Capital Stock that were issuable upon exercise of such Company Option, Company Warrant or Company Stock Purchase Right immediately prior to the Effective Time (assuming such Company Option, Company Warrant or Company Stock Purchase Right were then exercisable in full) multiplied by the Exchange Ratio applicable to the series of Company Capital Stock subject to such Company Option, Company Warrant, or Company Stock Purchase Right (rounded down to the nearest whole number of shares of Broadcom Common Stock) and (B) the per share exercise price for the shares of Broadcom Common Stock issuable upon exercise of such assumed Company Option, Company Warrant or Company Stock Purchase Right, as the case may be, shall be equal to the quotient determined by dividing the exercise price per share of Company Capital Stock at which such Company Option, Company Warrant or Company Stock Purchase Right was exercisable immediately prior to the Effective Time by the Exchange Ratio applicable to the series of Company Capital Stock subject to such Company Option, Company Warrant, or Company Stock Purchase Right (rounded up to the nearest whole cent). It is the intention of the parties that the Company Options assumed by Broadcom shall qualify following the Effective Time as incentive stock options as defined in Section 422 of the Internal Revenue Code to the same extent the Company Options qualified

as incentive stock options immediately prior to the Effective Time and the provisions of this Section 1.6(d) shall be applied consistent with this intent.

(ii) Broadcom shall assume the Company's obligations, and shall be assigned the Company's repurchase rights and purchase options, under any Restricted Stock Purchase Agreements entered into pursuant to the Company's 1999 Stock Option Plan and the Company 2000 Stock Plan (the "Company Stock Plans") and the other restricted stock purchase agreements listed on Schedule 1.6(d)(ii) of the Company Disclosure Schedule, true and correct copies of which have been made available by the Company to Broadcom. Any and all restrictions on the Company Restricted Stock issued pursuant to the Company Stock Plans or such other agreements which do not lapse in accordance with their terms (as in effect on May 31, 2000) shall continue in full force and effect until such restrictions lapse pursuant to the terms of such agreements, and any repurchase rights or repurchase options which the Company has with respect to the Company Restricted Stock shall also continue in full force and effect; provided, however, the per share repurchase price for the shares of Broadcom Common Stock subject to any such repurchase right or repurchase option shall be equal to the quotient determined by dividing the per share repurchase price of such Company Restricted Stock immediately prior to the Effective Time by the Exchange Ratio (rounded to the nearest whole cent).

(iii) From and after the Effective Time, Broadcom shall use commercially reasonable efforts not to take any action that would jeopardize the treatment as incentive stock options of any such Company Options that qualified as incentive stock options immediately prior to the Effective Time.

(iv) The Company agrees to take all actions necessary or advisable under the Company Stock Plans to cause all Company Options, Company Warrants, Company Stock Purchase Rights and Company Restricted Stock to be assumed by Broadcom without amendment or modification of the terms thereof by the Company, including any acceleration of vesting, lapse of restriction or other alteration of the terms thereof, except as expressly provided in this Section 1.6(d) with respect to the conversion of such Company Option, Company Warrant, Company Stock Purchase Right or Company Restricted Stock into an option, warrant or stock purchase right with respect to Broadcom Common Stock or shares of Broadcom Common Stock, as applicable.

1.7. Reservation of Shares. Broadcom will reserve sufficient shares of Broadcom Common Stock for issuance pursuant to Section 1.6.

1.8. Adjustments to Exchange Ratio. The Exchange Ratio shall be equitably adjusted to reflect fully the effect of any stock split, reverse split, stock combination, stock dividend (including any dividend or distribution of securities convertible into Broadcom Common Stock or Company Capital Stock), reorganization, reclassification, recapitalization or other like change with respect to Broadcom Common Stock or Company Capital Stock the effective date of which occurs on or after the date hereof and prior to the Effective Time.

1.9. Fractional Shares. No fraction of a share of Broadcom Common Stock will be issued in the Merger, but in lieu thereof, each holder of shares of Company Capital Stock who would otherwise be entitled to a fraction of a share of Broadcom Common Stock (after

aggregating all fractional shares of Broadcom Common Stock to be received by such holder) shall be entitled to receive from Broadcom an amount of cash (rounded to the nearest whole cent) equal to the product of (a) such fraction, multiplied by (b) the Closing Price.

#### 1.10. Dissenting Shares.

(a) Notwithstanding any provision of this Agreement to the contrary, any shares of Company Capital Stock held by a holder who has demanded and perfected appraisal rights for such shares in accordance with the California Code and who, as of the Effective Time, has not effectively withdrawn or lost such appraisal or dissenters' rights ("Dissenting Shares") shall not be converted into or represent a right to receive Broadcom Common Stock pursuant to Section 1.6, but the holder thereof shall only be entitled to such rights as are granted by the California Code.

(b) Notwithstanding the provisions of Section 1.10(a) above, if any holder of shares of Company Capital Stock who demands appraisal of such shares under the California Code shall effectively withdraw or lose (through failure to perfect or otherwise) the right to appraisal, then, as of the later of (i) the Effective Time or (ii) the occurrence of such event, such holder's shares shall automatically be converted into and represent only the right to receive Broadcom Common Stock as provided in Section 1.6, without interest thereon, upon surrender to the Company of the certificate representing such shares in accordance with Section 1.11 of this Agreement.

(c) The Company shall give Broadcom (i) prompt notice of its receipt of any written demands for appraisal of any shares of Company Capital Stock, withdrawals of such demands, and any other instruments relating to the Merger served pursuant to the California Code and received by the Company and (ii) the opportunity to participate in all negotiations and proceedings with respect to demands for appraisal under the California Code. The Company shall not, except with the prior written consent of Broadcom or as may be required under applicable law, voluntarily make any payment with respect to any demands for appraisal of Company Capital Stock or offer to settle or settle any such demands.

#### 1.11. Exchange Procedures.

(a) Broadcom Common Stock. On the Closing Date, Broadcom shall deposit with the Exchange Agent for exchange in accordance with this Article 1, the aggregate number of shares of Broadcom Common Stock issuable in exchange for outstanding shares of Company Capital Stock and cash in an amount sufficient to permit the payment of cash in lieu of fractional shares pursuant to Section 1.9; provided, however, that, on behalf of the holders of Company Capital Stock, Broadcom shall deposit into an escrow account a number of shares of Broadcom Common Stock equal to the Initial Escrow Amount. The portion of the Initial Escrow Amount contributed on behalf of each holder of Company Capital Stock shall be in proportion to the aggregate number of shares of Broadcom Common Stock which such holder would otherwise be entitled to receive by virtue of ownership of outstanding shares of Company Capital Stock.

(b) Exchange Procedures. As soon as practicable after the Effective Time, the Surviving Corporation shall cause to be mailed to each holder of record of a certificate or certificates which immediately prior to the Effective Time represented outstanding shares of Company Capital Stock (the "Certificates") and which shares were converted into the right to receive shares of Broadcom Common Stock pursuant to Section 1.6, (i) a letter of transmittal in customary form (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as Broadcom may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for certificates representing shares of Broadcom Common Stock and cash in lieu of fractional shares. Upon surrender of a Certificate for cancellation to the Exchange Agent or to such other agent or agents as may be appointed by Broadcom, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the holder of such Certificate shall be entitled to receive in exchange therefor a certificate representing the number of whole shares of Broadcom Common Stock (less the number of shares of Broadcom Common Stock to be deposited in the Escrow Fund on such holder's behalf pursuant to Article 7 hereof), to which such holder is entitled pursuant to Section 1.6 and cash in lieu of fractional shares to which such holder is entitled pursuant to Section 1.9, and the Certificate so surrendered shall be canceled. As soon as practicable after the Effective Time, and subject to and in accordance with the provisions of Article 7 hereof, Broadcom shall cause to be distributed to the Depository Agent a certificate or certificates (in such denominations as may be requested by the Depository Agent) representing that number of shares of Broadcom Common Stock equal to the Initial Escrow Amount, which certificate shall be registered in the name of the Depository Agent. Such shares shall be beneficially owned by the holders on whose behalf such shares were deposited in the Escrow Fund and shall be available to compensate Broadcom as provided in Article 7. Until surrendered, each outstanding Certificate that, prior to the Effective Time, represented shares of Company Capital Stock will be deemed from and after the Effective Time, for all corporate purposes, other than the payment of dividends (subject to Section 1.11(c)), to evidence the ownership of the number of full shares of Broadcom Common Stock into which such shares of Company Capital Stock shall have been so converted (subject only to, if applicable, the expiration or early termination of any waiting period under the HSR Act which is applicable to the holder of such shares) and cash in lieu of fractional shares.

(c) Distributions With Respect to Unexchanged Shares of Company Capital Stock. No dividends or other distributions with respect to Broadcom Common Stock declared or made after the Effective Time and with a record date after the Effective Time will be paid to the holder of any unsurrendered Certificate with respect to the shares of Broadcom Common Stock represented thereby until the holder of record of such Certificate shall surrender such Certificate. Subject to applicable law, following surrender of any such Certificate, there shall be paid to the record holder of the certificates representing whole shares of Broadcom Common Stock issued in exchange therefor, without interest, at the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore payable (but for the provisions of this Section 1.11(c)) with respect to such whole shares of Broadcom Common Stock.

(d) Transfers of Ownership. If any certificate for shares of Broadcom Common Stock is to be issued pursuant to the Merger in a name other than that in which the Certificate surrendered in exchange therefor is registered, it will be a condition of the issuance thereof that the Certificate so surrendered will be properly endorsed and otherwise in proper form for transfer and that the person requesting such exchange will have paid to Broadcom or any agent designated by it any transfer or other taxes required by reason of the issuance of a certificate for shares of Broadcom Common Stock in any name other than that of the registered holder of the Certificate surrendered, or established to the satisfaction of Broadcom or any agent designated by it that such tax has been paid or is not payable.

1.12. No Further Ownership Rights in Company Capital Stock. All shares of Broadcom Common Stock issued upon the surrender for exchange of shares of Company Capital Stock in accordance with the terms hereof (including any cash in lieu of fractional shares) shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Company Capital Stock, and there shall be no further registration of transfers on the records of the Company of shares of Company Capital Stock which were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article 1.

1.13. Lost, Stolen or Destroyed Certificates. In the event any certificates evidencing shares of Company Capital Stock shall have been lost, stolen or destroyed, the Exchange Agent shall issue certificates representing such shares of Broadcom Common Stock in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof; provided, however, that Broadcom or the Exchange Agent may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Certificates to provide an indemnity or deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against Broadcom or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

1.14. Exemption From Registration; California Permit; Registration Statement Alternative. Broadcom and the Company intend that the shares of Broadcom Common Stock to be issued pursuant to Section 1.6 in connection with the Merger will be issued in a transaction exempt from registration under the Securities Act of 1933, as amended (including the rules and regulations promulgated thereunder, the "Securities Act"), by reason of Section 3(a)(10) thereof. Broadcom and the Company intend that the shares of Broadcom Common Stock to be issued pursuant to Section 1.6 in connection with the Merger will be qualified under the California Code, pursuant to Section 25121 thereof, after a fairness hearing has been held by the Commissioner of Corporations of the State of California pursuant to the authority granted by Section 25142 of such law (the "Fairness Hearing"), and such Fairness Hearing shall also address the assumption by Broadcom of all Company Options, Company Warrants and Company Stock Purchase Rights pursuant to Section 1.6 hereof. Each of Broadcom and the Company shall use all requisite commercially reasonable efforts (i) to file promptly following the execution and delivery of this Agreement, an application for issuance of a permit pursuant to Section 25121 of the California Code to issue such securities and to assume such Company Options, Company Warrants and

Company Stock Purchase Rights (the "California Permit") and (ii) to obtain the California Permit as promptly as practicable thereafter.

If, after the Fairness Hearing, a California Permit is not issued for the shares of Broadcom Common Stock to be issued in connection with the Merger, such shares will be registered for sale under a Registration Statement on Form S-4 (together with all amendments and supplements thereto, the "Registration Statement"), which shall be filed by the parties in accordance with Section 5.1(c) of this Agreement.

1.15. Taking of Necessary Action; Further Action. If, at any time after the Effective Time, any such further action is necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company, or to effect the assignment to the Company of any and all Company Intellectual Property created by a founder, employee or consultant of the Company (including Intellectual Property created by any of the Company's founders prior to the creation of the Company), or to complete and prosecute all domestic and foreign patent filings related to such Company Intellectual Property, the officers and directors of the Surviving Corporation are fully authorized to take, and will take, all such lawful and necessary action.

## ARTICLE 2 REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby represents and warrants to Broadcom, subject to such exceptions as are specifically disclosed with respect to specific numbered and lettered sections and subsections of this Article 2 in the disclosure schedule and schedule of exceptions (the "Company Disclosure Schedule") delivered herewith and dated as of the date hereof, and numbered with corresponding numbered and lettered sections and subsections, as follows:

2.1. Organization and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation, and has full corporate power and authority to conduct its business as now conducted and as currently proposed to be conducted and to own, use, license and lease its Assets and Properties. The Company is duly qualified, licensed or admitted to do business and is in good standing as a foreign corporation in each jurisdiction in which the ownership, use, licensing or leasing of its Assets and Properties, or the conduct or nature of its business, makes such qualification, licensing or admission necessary, except for such failures to be so duly qualified, licensed or admitted and in good standing that could not reasonably be expected to have a material adverse effect on the Business or Condition of the Company. Section 2.1 of the Company Disclosure Schedule sets forth each jurisdiction where the Company is so qualified, licensed or admitted to do business and separately lists each other jurisdiction in which the Company owns, uses, licenses or leases its Assets and Properties, or conducts business or has employees or engages independent contractors.

2.2. Authority Relative to this Agreement. Subject only to the requisite approval of the Merger and this Agreement by the shareholders of the Company, the Company has full corporate power and authority to execute and deliver this Agreement and the other

agreements which are attached (or forms of which are attached) as exhibits hereto (the "Ancillary Agreements") to which the Company is a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The Company's Board of Directors has approved this Agreement and declared its advisability. The execution and delivery by the Company of this Agreement and Ancillary Agreements to which the Company is a party and the consummation by the Company of the transactions contemplated hereby and thereby, and the performance by the Company of its obligations hereunder and thereunder, have been duly and validly authorized by all necessary action by the Board of Directors of the Company, and no other action on the part of the Board of Directors of the Company is required to authorize the execution, delivery and performance of this Agreement and the Ancillary Agreements to which the Company is a party and the consummation by the Company of the transactions contemplated hereby and thereby. This Agreement and the Ancillary Agreements to which the Company is a party have been or will be, as applicable, duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery hereof by Broadcom, each constitutes or will constitute, as applicable, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other similar Laws relating to the enforcement of creditors' rights generally and by general principles of equity.

### 2.3. Capital Stock.

(a) The authorized capital stock of the Company consists only of 20,000,000 shares of Common Stock, no par value (the "Company Common Stock"), of which 7,386,596 shares of Common Stock are issued and outstanding as of the date hereof, and 3,950,000 shares of Preferred Stock, no par value (the "Company Preferred Stock"), of which 2,700,000 shares are designated as Series A Preferred Stock (the "Series A Preferred Stock"), 2,599,740 of which are issued and outstanding as of the date hereof. (b) Section 2.3(b) of the Company Disclosure Schedule lists the name and, to the Company's knowledge, state of residence of each holder of Company Common Stock and Company Preferred Stock provided to the Company by such holder.

(c) With respect to any Company Common Stock or Company Preferred Stock that has been issued subject to a repurchase option on the part of the Company, Section 2.3(c) of the Company Disclosure Schedule sets forth the holder thereof, the number and type of securities covered thereby, and the vesting schedule thereof (including a description of the circumstances under which such vesting schedule can or will be accelerated).

(d) Except as set forth in Section 2.3(d) of the Company Disclosure Schedule, there are no outstanding Company Options, Company Warrants, Company Stock

Purchase Rights, Restricted Stock Purchase Agreement or shares of Company Restricted Stock or agreements, arrangements or understandings to which the Company is a party (written or oral) to issue any Options with respect to the Company. With respect to each Company Option, Company Warrant, Company Stock Purchase Right, Restricted Stock Purchase Agreement or shares of Company Restricted Stock or agreements, arrangements or understandings to which the Company is a party (written or oral) to issue any Options or any other equity securities with respect to the Company, Section 2.3(d) of the Company Disclosure Schedule sets forth the holder thereof, the number and type of securities issuable thereunder, and, if applicable, the exercise price therefor, the exercise period and vesting schedule thereof (including a description of the circumstances under which such vesting schedule can or will be accelerated). All of the Company Options, Company Warrants and Company Stock Purchase Rights were issued in compliance with all applicable federal, state and foreign securities Laws.

(f) The terms of the Company Stock Plans and the applicable stock option agreements related to the outstanding Company Options permit the assumption or substitution of options to purchase Broadcom Common Stock as provided in this Agreement, without the consent or approval of the holders of such securities, Company Shareholder Action or otherwise and without any acceleration of the exercise schedule or vesting provisions in effect for those Company Options. True and complete copies of all agreements and instruments relating to or issued under the Company Stock Plans have been made available to Broadcom and such agreements and instruments have not been amended, modified or supplemented, and there are no agreements to amend, modify or supplement such agreements or instruments in any case from the form made available to Broadcom (other than this Agreement). Except for the Support Agreements and as otherwise set forth in Section 2.3(f) of the Company Disclosure Schedule, the Company is not a party or subject to any agreement or understanding, and, to the Company's knowledge, there is no agreement, arrangement or understanding between or among any Persons which affects, restricts or relates to voting, giving of written consents, dividend rights or transferability of shares with respect to the Company Capital Stock, including without limitation any voting trust agreement or proxy. Except as set forth in Section 2.3(f) of the Company Disclosure Schedule, no debt securities of the Company are issued and outstanding.

2.4. No Subsidiaries. The Company has no (and prior to the Closing will have no) Subsidiaries and does not (and prior to the Closing will not) otherwise hold any equity, membership, partnership, joint venture or other ownership interest in any Person.

2.5. Directors and Officers. The name of each director and officer of the Company on the date hereof, and his or her position with the Company, are listed in Section 2.5 of the Company Disclosure Schedule.

The execution and delivery by the Company of this Agreement and the Ancillary Agreements to which the Company is a party does not, and the performance by the Company of its obligations under this Agreement and the Ancillary Agreement to which the Company is a party and the consummation of the transactions contemplated hereby and thereby do not and will not:

(a) conflict with or result in a violation or breach of any of the terms, conditions or provisions of the articles of incorporation or by-laws of the Company;

(b) subject to obtaining the consents, approvals and actions, making the filings and giving the notices disclosed in Section 2.6(c) of the Company Disclosure Schedule, if any, conflict with or result in a violation or breach of any Law or Order applicable to the Company or any of its Assets and Properties, except for any such conflict or violation that would not be reasonably expected to have a material adverse effect on the Business or Condition of the Company; or

(c) except as disclosed in Section 2.6(c) of the Company Disclosure Schedule and except as would not individually or in the aggregate be reasonably expected to have a material adverse effect on the Business or Condition of the Company (provided that this second exception shall not apply with respect to any of the following which affects or relates to any Company Intellectual Property presently embodied, or proposed to be embodied, in the Company's products or utilized in Company-designed or modified development tools (including standard cells) or design environments), (i) conflict with or result in a violation or breach of, (ii) constitute a default (or an event that, with or without notice or lapse of time or both, would constitute a default) under, (iii) require the Company to obtain any consent, approval or action of, make any filing with or give any notice to any Person as a result or under the terms of (except for (A) the filing of the Agreement of Merger, together with the required officer's certificates; (B) such consents approvals, orders, authorizations, registrations, declarations and filings as may be required under applicable state or federal securities laws; and (C) such filings as may be required under the HSR Act), (iv) result in or give to any Person any right of termination, cancellation, acceleration or modification in or with respect to, (v) result in or give to any Person any additional rights or entitlement to increased, additional, accelerated or guaranteed payments or performance under, (vi) result in the creation or imposition of (or the obligation to create or impose) any Lien upon the Company or any of its Assets and Properties under or (vii) result in the loss of a material benefit under, any of the terms, conditions or provisions of any Contract or License to which the Company is a party or by which any of the Company's Assets and Properties is bound.

2.7. Books and Records; Organizational Documents. The minute books and stock record books and other similar records of the Company have been provided or made available to Broadcom or its counsel prior to the execution of this Agreement, are complete and correct in all respects and have been maintained in accordance with sound business practices. Such minute books contain a true and complete record of all actions taken at all

meetings and by all written consents in lieu of meetings of the directors, shareholders and committees of the Board of Directors of the Company from the date of the Company's incorporation through the date hereof. (b) Prior to the execution of this Agreement, the Company has made available to Broadcom all responses of counsel for the Company to auditor's requests for information since its formation (together with any updates provided by such counsel) regarding Actions or Proceedings pending or threatened against, relating to or affecting the Company. 2.13. Compliance with Laws and Orders. The Company has not violated, and is not currently in default or violation under, any Law or Order applicable to the Company or any of its Assets and Properties, except for any such violations or defaults that, individually or in the aggregate, would not reasonably be expected to have a material adverse effect on the Business and Condition of the Company, and the Company is not aware of any claim of violation, or of any actual violation, of any such Laws and Orders by the Company since the incorporation of the Company.

#### 2.14. Plans; ERISA.

(a) Existence of Plans. Except as disclosed on Section 2.14(a) of the Company Disclosure Schedule, (i) neither the Company nor any of its ERISA Affiliates maintains or sponsors (or ever maintained or sponsored), or makes or is required to make contributions to, any Plans, (ii) none of the Plans is or was a "multi-employer plan", as defined in Section 3(37) of ERISA, (iii) none of the Plans is or was a "defined benefit pension plan" within the meaning of Section 3(35) of ERISA, (iv) none of the Plans provides or provided post-retirement medical or health benefits, except as required by any Law, (v) none of the Plans is or was a "welfare benefit fund," as defined in Section 419(e) of the Internal Revenue Code, or an organization described in Sections 501(c)(9) or 501(c)(20) of the Internal Revenue Code, (vi) neither the Company nor any of its ERISA Affiliates is or was a party to any collective bargaining agreement, and (vii) neither the Company nor any of its ERISA Affiliates has announced or otherwise made any commitment to create or amend any Plan. Notwithstanding any statement or indication in this Agreement to the contrary, there are no Plans (A) as to which Broadcom will be required to make any contributions or with respect to which Broadcom shall have any obligation or liability whatsoever, whether on behalf of any of the current employees of the Company or on behalf

of any other person, after the Closing, or (B) which Broadcom or the Surviving Corporation will not be able to terminate immediately after the Closing in accordance with their terms and ERISA. With respect to each of such Plans, at the Closing there will be no unrecorded liabilities with respect to the establishment, implementation, operation, administration or termination of any such Plan, or the termination of the participation in any such Plan by the Company or any of its ERISA Affiliates. The Company has delivered to Broadcom true and complete copies of: (I) each of the Plans and any related funding agreements thereto (including insurance contracts) including all amendments, (II) the currently effective Summary Plan Description pertaining to each of the Plans, (III) the three most recently filed annual reports for each of the Plans (including all related schedules), (IV) the most recently filed PBGC Form 1 (if applicable), (V) the most recent Internal Revenue Service determination letter, opinion, notification or advisory letter (as the case may be) for each Plan which is intended to constitute a qualified plan under Section 401 of the Internal Revenue Code and each amendment to each of the foregoing documents, and (VI) for each unfunded Plan which is not fully insured, financial statements consisting of (a) the consolidated statement of assets and liabilities of such Plan as of its most recent valuation date, and (b) the statement of changes in fund balance and in financial position or the statement of changes in net assets available for benefits under such Plan for the most recently-ended plan year, which such financial statements shall fairly present the financial condition and the results of operations of such Plan in accordance with GAAP, consistently applied, as of such dates.

(b) Present Value of Benefits. The present value of all accrued benefits under any Plan subject to Title IV of ERISA shall not, as of the Closing Date, exceed the value of the assets of such Plans allocated to such accrued benefits, based upon the applicable provisions of the Internal Revenue Code and ERISA, and each such Plan shall be capable of being terminated as of the Closing Date in a "standard termination" under Section 4041(b) of ERISA. With respect to each Plan that is subject to Title IV of ERISA, (i) no amount is due or owing from the Company or any of its ERISA Affiliates to the PBGC or to any "multi-employer plan" as defined in Section 3(37) of ERISA on account of any withdrawal therefrom and (ii) no such Plan has been terminated other than in accordance with ERISA or at a time when the Plan was not sufficiently funded. The transactions contemplated hereunder, including without limitation the termination of any such Plan at or prior to the Closing, shall not result in any such withdrawal or other liability with respect to any Plan subject to Title IV of ERISA under any applicable Laws.

(c) Penalties; Reportable Events. Neither the Company nor any of its ERISA Affiliates is subject to any material liability, tax or penalty whatsoever to any person or agency whomsoever as a result of engaging in a prohibited transaction under ERISA or the Internal Revenue Code, and neither the Company nor any of its ERISA Affiliates has any knowledge of any circumstances which reasonably might result in any material liability, tax or penalty to the Company, including but not limited to, a penalty under Section 502 of ERISA, as a result of a breach of any duty under ERISA or under other Laws. Each Plan which is required to comply with the provisions of Sections 4980B and 4980C of the Internal Revenue Code, or with the requirements referred to in Section 4980D of the Internal Revenue Code, has complied in all material respects. No event has occurred which could subject any Plan to tax under Section 511 of the Internal Revenue Code. None of the Plans

subject to Title IV of ERISA has, since September 2, 1974, been completely or partially terminated nor has there been any "reportable event", as such term is defined in Section 4043(b) of ERISA, with respect to any of the Plans since the effective date of ERISA nor has any notice of intent to terminate been filed or given with respect to any such Plan. There has been no (i) withdrawal by the Company or any of its ERISA Affiliates that is a substantial employer from a single-employer plan which is a Plan and which has two or more contributing sponsors at least two of whom are not under common control, as referred to in Section 4063(b) of ERISA, or (ii) cessation by the Company or any of its ERISA Affiliates of operations at a facility causing more than 20% of Plan participants to be separated from employment, as referred to in Section 4062(f) of ERISA. Neither the Company nor any of its ERISA Affiliates, nor any other organization of which any of them are a successor or Broadcom corporation as defined in Section 4069(b) of ERISA, have engaged in any transaction described in Section 4069(a) of ERISA with respect to any Plan.

(d) Deficiencies; Qualification. None of the Plans nor any trust created thereunder has incurred any "accumulated funding deficiency" as such term is defined in Section 412 of the Internal Revenue Code, whether or not waived, since the effective date of said Section 412, and no condition has occurred or exists which by the passage of time could be expected to result in an accumulated funding deficiency as of the last day of the current plan year of any such Plan. Furthermore, neither the Company nor any of its ERISA Affiliates has any unfunded material liability under ERISA in respect of any of the Plans. Each of the Plans which is intended to be a qualified plan under Section 401(a) of the Internal Revenue Code has received a favorable determination letter, opinion, notification or advisory letter from the Internal Revenue Service, and has been operated in accordance with its terms and with the provisions of the Internal Revenue Code. All of the Plans have been administered and maintained in substantial compliance with ERISA, the Internal Revenue Code and all other applicable Laws. All material contributions required to be made to each of the Plans under the terms of that Plan, ERISA, the Internal Revenue Code or any other applicable Laws have been timely made. Each Plan intended to meet the requirements for tax-favored treatment under Subchapter B of Chapter 1 of the Internal Revenue Code is in compliance with such requirements. There are no Liens against the property of the Company or any of its ERISA Affiliates under Section 412(n) of the Internal Revenue Code or Sections 302(f) or 4068 of ERISA. The Company Financial Statements properly reflect all amounts required to be accrued as liabilities through the date of such financial statements under each of the Plans and the amounts required to be accrued since such date are not material in amount.

(e) Acceleration. Neither the execution of this Agreement nor the consummation of any of the transactions contemplated hereby (whether alone or upon the occurrence of any additional or further acts or events) will (i) result in any obligation or liability (with respect to accrued benefits or otherwise) on the part of the Company, Broadcom, the Surviving Corporation, or any of their respective Subsidiaries to the PBGC, to any Plan, or to any present or former employee, director, officer, shareholder, contractor or consultant of Broadcom, the Surviving Corporation, or any their respective Subsidiaries or any of their dependents, (ii) be a trigger event under any Plan that will result in any payment (whether of severance pay or otherwise) becoming due to any such present or former employee, officer, director, shareholder, contractor, or consultant, or any of their

dependents, or (iii) accelerate the time of payment or vesting, or increase the amount, of any compensation theretofore or thereafter due or granted to any employee, officer, director, shareholder, contractor, or consultant of the Company or any of their dependents. With respect to any insurance policy or investment vehicle which provides, or has provided, funding for benefits under any Plan, there is and will be no liability of the Company, Broadcom or any of their respective Subsidiaries in the nature of a retroactive or retrospective rate adjustment, loss sharing arrangement, termination charge, or actual or contingent liability as of the Closing Date, nor would there be any such liability if such insurance policy were terminated as of the Closing Date.

(f) COBRA. With respect to each Plan which provides health care coverage, the Company and each ERISA Affiliate have complied in all material respects with (i) the applicable health care continuation and notice provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), and the applicable COBRA regulations and (ii) the applicable requirements of the Health Insurance Portability and Accountability Act of 1996 and the regulations thereunder, and neither the Company nor any ERISA Affiliate has incurred any material liability under Section 4980B of the Internal Revenue Code.

(g) Litigation. Other than routine claims for benefits under the Plans, there are no pending, or, to the best knowledge of the Company, threatened, Actions or Proceedings involving the Plans, or, with respect to any Plan, the fiduciaries, administrators, or trustees of any of the Plans or the Company, or any of its ERISA Affiliates as the employer or sponsor under any Plan, with any of the IRS, the Department of Labor, the PBGC, any participant in or beneficiary of any Plan or any other person whomsoever. The Company knows of no reasonable basis for any such claim, lawsuit, dispute, action or controversy.

#### 2.15. Real Property.

(a) Section 2.15(a) of the Company Disclosure Schedule contains a true and correct list of (i) each parcel of real property leased, utilized and/or operated by the Company (as lessor or lessee or otherwise) (the "Leased Real Property") and (ii) all Liens relating to or affecting any parcel of real property referred to in clause (i) to which the Company is a party. The Company owns no real property other than Company owned leasehold improvements, if any, on the Leased Real Property.

(b) Subject to the terms of its respective leases, the Company has a valid and subsisting leasehold estate in and the right to quiet enjoyment of the Leased Real Properties for the full term of the leases (including renewal periods) relating thereto. Each lease referred to in clause (i) of paragraph (a) above is a legal, valid and binding agreement, enforceable in accordance with its terms, of the Company and of each other Person that is a party thereto, and except as set forth in Section 2.15(b) of the Company Disclosure Schedule, the Company is not in, and has not received notice of any, default (or any condition or event which, after notice or lapse of time or both, would constitute a default) of the Company thereunder. The Company does not owe brokerage commissions or finders fees with respect to any such Leased Real Property, except to the extent that the Company may renew the term of any such lease, in which case, any such commissions and fees would

be in amounts that are reasonable and customary for the spaces so leased, given their intended use and terms.

(c) Except as disclosed in Section 2.15(c) of the Company Disclosure Schedule, all Company owned improvements on the Leased Real Property (A) comply with and are operated in all material respects in accordance with applicable laws (including, without limitation, Environmental Laws) and all applicable Liens, Approvals, Contracts, covenants and restrictions and (B) are in all material respects in good operating condition and in a state of good maintenance and repair, ordinary wear and tear excepted. To the knowledge of the Company, there are no condemnation or appropriation proceedings pending or threatened against any of such real property or the improvements thereon.

(d) True and correct copies of the documents under which the Leased Real Property is leased, subleased (to or by the Company or otherwise), utilized, and/or operated (the "Lease Documents") have been delivered to Broadcom. The Lease Documents are unmodified and in full force and effect, and there are no other Contracts between the Company and any third parties, or, to the knowledge of the Company, by and among any third parties, claiming an interest in the interest of the Company in the Leased Real Property or otherwise relating to the use and occupancy of the Leased Real Property.

2.16. Tangible Personal Property. The Company is in possession of and has good and marketable title to, or has valid leasehold interests in or valid rights under Contract to use, all tangible personal property used in the conduct of its business, including all tangible personal property reflected on the Company Financial Statements and tangible personal property acquired since the Audited Financial Statement Date, other than property disposed of since such date in the ordinary course of business consistent with past practice. Except as disclosed in Section 2.16 of the Company Disclosure Schedule, all such tangible personal property (including plant, property and equipment) is free and clear of all Liens and is adequate and suitable in all material respects for the conduct by the Company of its business as presently conducted, and is in good working order and condition in all material respects, ordinary wear and tear excepted, and its use complies in all material respects with all applicable Laws.

(c) To the extent that any Company Intellectual Property has been developed or created by any Person other than the Company, the Company has a written agreement with such Person with respect thereto and the Company has either (i) obtained ownership of, and is the exclusive owner of, all such Company Intellectual Property by operation of law or by valid assignment of any such rights or (ii) has obtained a License under or to such Company Intellectual Property.

(h) The operation of the business of the Company as currently conducted or as presently proposed to be conducted, including the Company's design, development,

use, import, manufacture and sale of the products, technology or services (including products, technology or services currently under development) of the Company, does not infringe or misappropriate the Intellectual Property of any Person, violate the rights of any Person (including rights to privacy or publicity), or constitute unfair competition or an unfair trade practice under any Law, and the Company has not received notice from any Person claiming that such operation or any act, product, technology or service (including products, technology or services currently under development) of the Company infringes or misappropriates the Intellectual Property of any Person or constitutes unfair competition or trade practices under any Law, including notice of third party patent or other Intellectual Property rights from a potential licensor of such rights.

Except as set forth in Section 2.17(i)(2) of the Company Disclosure Schedule, the Company has registered the copyright with the U.S. Copyright Office for the latest version of each product or technology of the Company that constitutes or includes a copyrightable work. (j) There are no Contracts or Licenses between the Company and any other Person with respect to Company Intellectual Property under which there is any dispute (or, to the Company's knowledge, facts that may reasonably lead to a dispute) known to the Company regarding the scope of such Contract or License, or performance under such Contract or License, including with respect to any payments to be made or received by the Company thereunder.

(k) To the knowledge of the Company, no Person is infringing or misappropriating any Company Intellectual Property.

The Company has secured valid written assignments from all consultants and employees who contributed to the creation or development of the Company Intellectual Property. In the event that the consultant is concurrently employed by the Company and a third party, the Company has taken additional steps to ensure that any Company Intellectual Property developed by such a consultant does not belong to the third party or conflict with the third party's employment agreement such steps include, but are not limited to, ensuring that all research and development work performed by such a consultant are performed only on the Company's facilities and only using the Company's resources, except as set forth in Section 2.17(r) of the Company Disclosure Schedule.

(l) Capital Expenditures: make any capital expenditures, capital additions or capital improvements except in accordance with the Company's 2000 Operating Plan or, if greater, in excess of \$50,000;

(m) Insurance: reduce the amount of any insurance coverage provided by existing insurance policies;

(n) Termination or Waiver: terminate or waive any right of substantial value;

(o) Employee Benefit Plans; New Hires; Pay Increases: adopt or amend any employee benefit or stock purchase or option plan, or hire any new director level or officer level consultant or employee (other than as contemplated by the 2000 Operating Plan), or pay any special bonus or special remuneration to any employee, consultant or director or increase the salaries, wage rates or compensation of any employee or consultant or as set forth in Schedule 4.1(o);

(p) Severance Arrangements: grant any severance or termination pay (i) to any director, officer or consultant or (ii) to any other employee or consultant except payments made pursuant to written agreements outstanding on the date hereof;

(q) Lawsuits: commence a lawsuit other than (i) for the routine collection of bills, (ii) in such cases where it in good faith determines that failure to commence suit would result in the material impairment of a valuable aspect of its business, provided that it consults with Broadcom prior to the filing of such a suit, or (iii) for a breach of this Agreement;

(r) Acquisitions: acquire or agree to acquire by merging or consolidating with, or by purchasing a substantial portion of the assets of, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof;

(u) Other: take or agree in writing or otherwise to take, any of the actions described in Sections 4.1(a) through (t) above.

4.2. No Solicitation. Until the earlier of the Effective Time and the date of termination of this Agreement pursuant to the provisions of Section 8.1 hereof, the Company will not take nor will the Company permit any of the Company's officers, directors,

employees, shareholders, attorneys, investment advisors, agents, representatives, Affiliates or Associates (collectively, "Representatives") to (directly or indirectly), take any of the following actions with any Person other than Broadcom and its designees: (a) solicit, encourage, initiate, entertain, substantively review or encourage any proposals or offers from, or participate in or conduct discussions with or engage in negotiations with, any Person relating to any offer or proposal, oral, written or otherwise, formal or informal (a "Competing Proposed Transaction"), with respect to any possible Business Combination with the Company or any of its Subsidiaries (whether such Subsidiaries are in existence on the date hereof or are hereafter organized), (b) provide information with respect to the Company to any Person, other than Broadcom, relating to (or which the Company believes would be used for the purpose of formulating an offer or proposal with respect to), or otherwise assist, cooperate with, facilitate or encourage any effort or attempt by any such Person with regard to, any possible Business Combination with the Company or any Subsidiary of the Company (whether such Subsidiaries are in existence on the date hereof or are hereafter organized), (c) agree to, enter into a Contract with any Person, other than Broadcom, providing for, or approve a Business Combination with the Company or any Subsidiary (whether such Subsidiaries are in existence on the date hereof or are hereafter organized), (d) make or authorize any statement, recommendation, solicitation or endorsement in support of any possible Business Combination with the Company or any Subsidiary (whether such Subsidiary is in existence on the date hereof or are hereafter organized) other than by Broadcom, or (e) authorize or permit any of the Company's Representatives to take any such action. The Company shall immediately cease and cause to be terminated any such contacts or negotiations with any Person relating to any such transaction or Business Combination. In addition to the foregoing, if the Company receives prior to the Effective Time or the termination of this Agreement any offer or proposal (formal or informal, oral, written or otherwise) relating to, or any inquiry or contact from any Person with respect to, a Competing Proposed Transaction, the Company shall immediately notify Broadcom thereof and provide Broadcom with the details thereof, including the identity of the Person or Persons making such offer or proposal, and will keep Broadcom fully informed on a current basis of the status and details of any such offer or proposal and of any modifications to the terms thereof; provided, however, that this provision shall not in any way be deemed to limit the obligations of the Company and its Representatives set forth in the previous sentence. Each of the Company and Broadcom acknowledge that this Section 4.2 was a significant inducement for Broadcom to enter into this Agreement and the absence of such provision would have resulted in either (i) a material reduction in the merger consideration to be paid to the shareholders of the Company or (ii) a failure to induce Broadcom to enter into this Agreement.

ARTICLE 5  
ADDITIONAL AGREEMENTS

5.1. Information Statement; Permit Application; Registration Statement.

(a) As soon as practicable after the execution of this Agreement, the Company shall prepare, with the cooperation of Broadcom, the Information Statement for the shareholders of the Company to approve this Agreement, the California Agreement of Merger and the transactions contemplated hereby. The Information Statement shall contain the unanimous recommendation of the Board of Directors of the Company that the Company's shareholders approve the Merger and this Agreement and the conclusion of the Board of Directors that the terms and conditions of the Merger are advisable and fair and reasonable to, and in the best interests of, the shareholders of the Company. Anything to the contrary contained herein notwithstanding, the Company shall not include in the Information Statement any information with respect to Broadcom or its affiliates or associates, the form and content of which information shall not have been approved by Broadcom prior to such inclusion.

(b) As soon as practicable after the execution of this Agreement, Broadcom shall prepare, with the cooperation of the Company, and file the Permit Application. Broadcom and the Company shall each use commercially reasonable efforts to cause the Permit Application to comply with the requirements of applicable federal and state laws. Each of Broadcom and the Company agrees to provide promptly to the other such information concerning its business and financial statements and affairs as, in the reasonable judgment of the providing party or its counsel, may be required or appropriate for inclusion in the Permit Application, or in any amendments or supplements thereto, and to cause its counsel and auditors to cooperate with the other's counsel and auditors in the preparation of the Permit Application. The Company will promptly advise Broadcom, and Broadcom will promptly advise the Company, in writing if at any time prior to the Effective Time either the Company or Broadcom, as applicable, shall obtain knowledge of any facts that might make it necessary or appropriate to amend or supplement the Permit Application in order to make the statements contained or incorporated by reference therein not misleading or to comply with applicable law. Anything to the contrary contained herein notwithstanding, Broadcom shall not include in the Permit Application any information with respect to the Company or its affiliates or associates, the form and content of which information shall not have been approved by the Company prior to such inclusion.

(c) In the event that the California Permit cannot be obtained in time to permit the Closing to occur on or before July 3, 2000, then, at the Company's election, unless Broadcom shall certify to the Company that Broadcom believes in good faith that the California Permit can be obtained within thirty (30) days after such date, Broadcom and the Company shall use commercially reasonable efforts to prepare, and Broadcom shall file with the SEC, the Registration Statement, in which the Proxy Statement/Prospectus shall be included. Each of Broadcom and the Company agrees to provide promptly to the other such

information concerning its business and financial statements and affairs as, in the reasonable judgment of the party or its counsel, may be required or appropriate for inclusion in the Proxy Statement/Prospectus or Registration Statement, or in any amendments or supplements thereto, and to cause its counsel and auditors to cooperate with the other's counsel and auditors in the preparation of the same. Each of Broadcom and the Company shall (i) cause the Proxy Statement/Prospectus and the Registration Statement to comply as to form in all material respects with the applicable provisions of the Securities Act, (ii) shall use commercially reasonable efforts to have or cause the Registration Statement to become effective as promptly as practicable and (iii) take all or any action required under any applicable federal or state securities Laws in connection with the issuance of shares of Broadcom Common Stock pursuant to the Merger. The Company will promptly advise Broadcom, and Broadcom will promptly advise the Company, in writing if at any time prior to the Effective Time either the Company or Broadcom shall obtain knowledge of any facts that might make it necessary or appropriate to amend or supplement the Registration Statement in order to make the statements contained or incorporated by reference therein not misleading or to comply with applicable law. As promptly as practicable after the Registration Statement has become effective, the Company shall mail the Proxy Statement/Prospectus.

5.2. Shareholder Approval. As soon as practicable following the execution and delivery of this Agreement, the Company shall give written notice of this Agreement and the proposed Merger to all Company shareholders and shall use commercially reasonable efforts to take all other action necessary in accordance with the California Code and its articles of incorporation and bylaws to convene a meeting of the shareholders of the Company or to secure the written consent of its shareholders ("Company Shareholder Action") before July 15, 2000. To the maximum extent permitted by Law, the Company shall submit this Agreement to its shareholders for adoption whether or not the Company's board of directors determines at any time subsequent to declaring its advisability that this Agreement is no longer advisable and recommends that its shareholders reject it. The Company shall consult with Broadcom regarding the date of the Company Shareholder Action and shall not postpone or adjourn (other than for the absence of a quorum) any meeting of the shareholders of the Company without the consent of Broadcom, which consent shall not be unreasonably withheld. The Company shall use all commercially reasonable efforts required to solicit and obtain from shareholders of the Company proxies or written consents in favor of the Merger and this Agreement and shall take all other action necessary or advisable to secure the vote or consent of shareholders of the Company required with respect to the Merger. The materials submitted to the shareholders of the Company in respect of the Merger shall have been subject to prior review and comment by Broadcom and shall include (a) information regarding the Company, the terms of the Merger and this Agreement, (b) the unanimous recommendation of the Board of Directors of the Company that the Company's shareholders approve the Merger and this Agreement and the transactions contemplated hereby and approve and execute such other documents as may be required to satisfy the applicable requirements of the Securities Act in connection with the issuance and sale of Broadcom Common Stock in the Merger, (c) the conclusion of the Board of Directors of the Company that the terms and conditions of the Merger are advisable, fair and reasonable to, and in the best interests of, the Company's shareholders and (d) such other documents as may be required to satisfy the applicable requirements of

the Securities Act in connection with the issuance and sale of Broadcom Common Stock in the Merger.

5.3. Access to Information. Between the date of this Agreement and the earlier of the Effective Time or the termination of this Agreement, upon reasonable notice the Company shall (a) give Broadcom and its officers, employees, accountants, counsel, financing sources and other agents and representatives reasonable access during normal business hours to all buildings, offices, and other facilities and to all Books and Records of the Company, whether located on the premises of the Company or at another location; (b) permit Broadcom to make such inspections as they may reasonably require; (c) cause its officers to furnish Broadcom such financial, operating, technical and product data and other information with respect to the business and Assets and Properties of the Company as Broadcom from time to time may reasonably request, including without limitation financial statements and schedules; (d) allow Broadcom the opportunity to interview such employees and other personnel and Affiliates of the Company with the Company's prior written consent, which consent shall not be unreasonably withheld or delayed; and (e) assist and cooperate with Broadcom in the development of integration plans for implementation by Broadcom and the Surviving Corporation following the Effective Time; provided, however, that no investigation pursuant to this Section 5.3 shall affect or be deemed to modify any representation or warranty made by the Company herein. Materials furnished to Broadcom pursuant to this Section 5.3 may be used by Broadcom for strategic and integration planning purposes relating to accomplishing the transactions contemplated hereby.

5.4. Confidentiality. The parties acknowledge that Broadcom and the Company have previously executed a non-disclosure agreement dated as of January 1, 2000 (the "Confidentiality Agreement"), which Confidentiality Agreement shall continue in full force and effect in accordance with its terms. Without limiting the foregoing, all information furnished to Broadcom and its officers, employees, accountants and counsel by the Company, and all information furnished to the Company by Broadcom and its officers, employees, accountants and counsel, shall be covered by the Confidentiality Agreement, and Broadcom and the Company shall be fully liable and responsible under the Confidentiality Agreement for any breach of the terms and conditions thereof by their respective subsidiaries, officers, employees, accountants and counsel.

5.5. Expenses. Whether or not the Merger is consummated, all fees and expenses incurred in connection with the Merger including all legal, accounting, financial advisory, consulting and all other fees and expenses of third parties ("Third Party Expenses") incurred by a party in connection with the negotiation and effectuation of the terms and conditions of this Agreement and the transactions contemplated hereby, shall be the obligation of the respective party incurring such fees and expenses. Broadcom shall have the right to approve Third Party Expenses to be incurred by the Company between the date hereof and the Closing, including necessary fees and expenses of legal counsel, auditors and tax advisors, which such approvals will not be unreasonably withheld (it being understood that Third Party Expenses (exclusive of premiums) incurred by the Company in connection with the transactions contemplated by this Agreement (whether before or after the date hereof) which do not exceed \$300,000 in the aggregate shall be deemed to have been approved by Broadcom). If the Merger is consummated, Broadcom agrees to pay the Estimated Third

Party Expenses (as set forth on Section 2.26 of the Company Disclosure Schedule) incurred by the Company and the Company agrees that Broadcom will have full recourse to the Escrow Fund for any Third Party Expenses of the Company in excess of the Estimated Third Party Expenses, whether such Third Party Expenses have been paid by the Company, accrued by the Company or have been incurred (and not accrued and paid) by the Company.

5.6. Public Disclosure. Unless otherwise required by Law (including federal and state securities laws) or, as to Broadcom, by the rules and regulations of the NASD, prior to the Effective Time, no public disclosure (whether or not in response to any inquiry) of the existence of any subject matter of, or the terms and conditions of, this Agreement shall be made by any party hereto unless approved by Broadcom and the Company prior to release; provided, however, that such approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, Broadcom and the Company shall be permitted to disclose the existence of this Agreement to their customers, suppliers and sales representatives with whom it has non-disclosure agreements that apply to such disclosure (or the other party otherwise agrees to such disclosure) and for which there is a business reason for the disclosure.

5.7. Approvals. The Company shall use commercially reasonable efforts to obtain all Approvals from Governmental or Regulatory Authorities or under any of the Contracts or other agreements as may be required in connection with the Merger so as to preserve all rights of and benefits to the Company thereunder and Broadcom shall provide the Company with such assistance and information as is reasonably required to obtain such Approvals.

5.8. FIRPTA Compliance. On or prior to the Closing Date, the Company shall deliver to Broadcom a properly executed statement in a form reasonably acceptable to Broadcom for purposes of satisfying Broadcom's obligations under Treasury Regulation Section 1.1445-2(c)(3).

5.9. Notification of Certain Matters. The Company shall give prompt notice to Broadcom, and Broadcom shall give prompt notice to the Company, of (a) the occurrence or non-occurrence of any event, the occurrence or non-occurrence of which is likely to cause any representation or warranty of the Company or Broadcom, respectively, contained in this Agreement to be untrue or inaccurate at or prior to the Closing Date and (b) any failure of the Company or Broadcom, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section 5.9 shall not limit or otherwise affect any remedies available to the party receiving such notice.

5.10. [Intentionally Omitted]

5.11. [Intentionally Omitted]

5.12. [Intentionally Omitted]

5.13. Additional Documents and Further Assurances; Cooperation. Each party hereto, at the request of the other party hereto, shall execute and deliver such other

instruments and do and perform such other acts and things (including, but not limited to, all action reasonably necessary to seek and obtain any and all consents and approvals of any Government or Regulatory Authority or Person required in connection with the Merger; provided, however, that Broadcom shall not be obligated to consent to any divestitures or operational limitations or activities in connection therewith and no party shall be obligated to make a payment of money as a condition to obtaining any such condition or approval) as may be necessary or desirable for effecting completely the consummation of this Agreement and the transactions contemplated hereby. Each party agrees to use commercially reasonable efforts to cause the conditions to its obligations to consummate the Merger to be satisfied.

#### 5.14. Indemnification.

(a) Broadcom, the Company and the Surviving Corporation agree that all rights to indemnification or exculpation now existing in favor of the employees, agents, directors or officers of the Company (the "Company Indemnified Parties") as provided in its articles of incorporation or bylaws or indemnification agreements as in effect on the date of this Agreement shall continue in full force and effect for a period of not less than six years from the Closing Date, assuming consummation of the Merger; provided, however, that, in the event any claim or claims are asserted or made within such six-year period, all rights to indemnification in respect of any such claim or claims shall continue to disposition of any and all such claims. Any determination required to be made with respect to whether a Company Indemnified Party's conduct complies with the standards set forth in the articles of incorporation or bylaws or indemnification agreements of the Surviving Corporation or otherwise shall be made by independent counsel selected by the Surviving Corporation reasonably satisfactory to the Company Indemnified Party (whose fees and expenses shall be paid by the Surviving Corporation), which such determination shall be final and binding on the parties thereto. The Company hereby represents and warrants to Broadcom that no claim for indemnification has been made by any director or officer of the Company and, to the knowledge of the Company, no basis exists for any such claim for indemnification.

(b) With respect to the Company Indemnified Parties, for a period of six years after the Effective Time, Broadcom shall (to the extent available on commercially reasonable terms) cause to be maintained in effect officers' and directors' liability insurance of at least the same coverage and amounts, containing terms which are no less advantageous to the Company Indemnified Parties than that provided to equivalent employees, agents, directors or officers of Broadcom. Such coverage shall also cover acts and omissions occurring prior to the Effective Time.

5.15. Form S-8. Broadcom shall file a registration statement on Form S-8 for the shares of Broadcom Common Stock issuable with respect to assumed Company Options promptly after the Effective Time to the extent the shares of Broadcom Common Stock issuable upon exercise of such Company Options qualify for registration on Form S-8 and shall use its commercially reasonable efforts to maintain the effectiveness of the Form S-8 throughout the term of the Company Options.

5.16. NNM Listing of Additional Shares Application. Broadcom shall, to the extent required by the rules of the NNM, notify the NNM of the shares of Broadcom

Common Stock to be issued, and the shares of Broadcom Common Stock required to be reserved for issuance, in connection with the Merger, it being understood that under current NNM and SEC rules, no additional listing application needs to be filed by Broadcom to cause such authorization.

5.17. Company's Auditors. The Company will use commercially reasonable efforts to cause its management and its independent auditors to facilitate on a timely basis (a) the preparation of financial statements (including pro forma financial statements if required) as required by Broadcom to comply with applicable SEC regulations, (b) the review of any Company audit or review work papers, including the examination of selected interim financial statements and data, (c) the delivery of such representations from the Company's independent accountants as may be reasonably requested by Broadcom or its accountants, and (d) the securing of a binding fee commitment (on terms similar to those in place on the date of this Agreement) with respect to consents and comfort letters requested by Broadcom after the Closing.

5.18. Termination of 401(k) Plans. Unless Broadcom requests otherwise in writing, the Board of Directors of the Company shall adopt resolutions terminating, effective prior to the Closing Date, any Plan which is intended to meet the requirements of Section 401(k) of the Internal Revenue Code, and which is sponsored, or contributed to, by the Company or any Subsidiary. At the Closing, if such a Plan has been adopted or is in existence, the Company shall provide Broadcom (a) executed resolutions of the Board of Directors of Broadcom authorizing such termination and (b) an executed amendment to the 401(k) Plan sufficient to assure compliance with all applicable requirements of the Internal Revenue Code and regulations thereunder so that the tax-qualified status of the 401(k) Plan will be maintained at the time of termination.

5.19. Takeover Statutes. If any Takeover Statute is or may become applicable to the transactions contemplated hereby, the Board of Directors of the Company will grant such approvals and take such actions as are necessary so that the transactions contemplated by this Agreement and the Ancillary Agreements may be consummated as promptly as practicable on the terms contemplated hereby and otherwise act to eliminate the effects of any Takeover Statute on any of the transactions contemplated hereby.

5.20. [Intentionally Omitted]

5.21. Treatment as Reorganization. Broadcom and the Company shall use their best efforts to cause the Merger to qualify, and will not take any action prior to or following the Closing that would prevent the Merger from qualifying, as a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code.

5.22. Company Repurchases. The Company will exercise any rights that mature between the date hereof and the Effective Time to repurchase any outstanding shares of Company Capital Stock at the price at which such shares were issued.

5.23. Information Technology Access. In furtherance of the Company's agreement in Section 5.3 and to facilitate prompt integration following the Closing of the Company's information technology ("IT") inventory (e.g., voice and data network services and software

and hardware, licenses, financial/accounting software, IT budgets, etc.) with Broadcom's, the Company will provide Broadcom and its Representatives with reasonable access to the Company's IT inventory, as well as the Company's personnel responsible for such IT inventory. Because of the substantial lead time that may be required to order and install new software and hardware to integrate the Company's IT systems with Broadcom's, and the importance of a smooth integration of such IT systems promptly after the Closing, the Company agrees that Broadcom may order, either in Broadcom's name or, if required by the vendor, the Company's name, any new IT services, hardware and software that Broadcom believes will be needed at the Company's facilities in order to integrate Broadcom's and the Company's respective operations following the Closing. Except to the extent that the Company reasonably believes that such installation will more than insubstantially disrupt its business, the Company will cooperate with Broadcom in the installation of such IT systems, hardware and software prior to and in anticipation of the Closing, including, but not limited to, providing Broadcom with reasonable access to and use of the Company's appropriate personnel; provided, however, that any such IT systems may not be installed by Broadcom employees or consultants without the Company's consent, which shall not be unreasonably withheld. If required by the vendor, at Broadcom's request, the Company will place IT systems, hardware and software orders in the Company's name. For clarity, it is the parties' intent not to connect any of the ordered services or systems prior to the Closing. Broadcom and the Company agree to cooperate with each other to minimize any potential disruption to the Company's business from the IT integration efforts; provided, however, that Broadcom will not have any liability to the Company for any such disruption or as may otherwise result from the IT integration efforts, except as may be directly caused by Broadcom's gross negligence or willful misconduct; and provided further that in no event will Broadcom have any liability to the Company for any indirect, incidental, consequential, special or speculative damages, including, but not limited to, damages for loss of profits or use, business interruption or loss of goodwill, irrespective of whether such damages arise under contract, tort, statute or otherwise and whether or not the Company has given Broadcom advance notice of the possibility of such damages. If the Closing does not occur, Broadcom will reimburse the Company for its documented out-of-pocket costs incurred by it in connection with the ordering and installation of IT services, hardware and software. If Broadcom is so required to reimburse the Company, Broadcom will own any such hardware and software and will pay for its removal from Company premises. Broadcom and the Company will cooperate in the removal of any such hardware or software so as to minimize any disruption to the Company's business. In addition, if the Closing does not occur, the Company will cooperate with Broadcom in canceling any orders for IT services, hardware or software and will otherwise act to minimize the costs which might be incurred in connection with the IT integration efforts.

5.24. Change of Merger Form. The Company agrees that in the event Broadcom requests that the transactions contemplated hereby be effected through a different form of merger (including a reverse triangular or forward triangular merger) than the form presently contemplated herein, and provided that the alternative form of merger qualifies (in the opinion of counsel to each of Broadcom and the Company) as a tax-free reorganization, the Company shall cooperate with Broadcom in effecting the alternative form of merger and will take all reasonably necessary action towards such end, including, but not limited to the execution of any amendments to this Agreement (provided such amendments relate only to

the alternative form of merger and any related matters and do not include any other substantive changes or otherwise have an adverse effect on any of the Company's shareholders not otherwise agreed between the parties).

5.25. Intellectual Property. The Company shall give Broadcom prompt notice that any Person shall have (a) commenced, or shall have notified the Company that it intends to commence, an Action or Proceeding or (b) provided the Company with notice, in either case which allege(s) that any of the Company Intellectual Property presently embodied, or proposed to be embodied, in the Company's products or utilized in Company-designed or modified development tools (including standard cells) or design environments infringes or otherwise violates the intellectual property rights of such Person, is available for licensing from a potential licensor providing the notice or otherwise alleges that the Company does not otherwise own or have the right to exploit such Company Intellectual Property. The Company shall cooperate with Broadcom in making arrangements, prior to the Closing Date, satisfactory to Broadcom in its sole discretion to effect the assignment to the Company of all Company Intellectual Property created by the Company's founders, employees and consultants, including certain Company Intellectual Property created by the Company's founders prior to the Company's incorporation, and to obtain the cooperation of such Persons to complete all appropriate patent filings related thereto. The Company shall take commercially reasonable actions to maintain, perfect, preserve or renew the Company Registered Intellectual Property, including, without limitation, the payment of any registration, maintenance, renewal fees, annuity fees and taxes or the filing of any documents, applications or certificates related thereto, and to promptly respond and prepare to respond to all requests, related to the Company Registered Intellectual Property, received from Governmental or Regulatory Authorities. At the Closing, the Company will notify Broadcom of all material actions of which it is aware which must be taken within the 180 days following the Closing Date and which are necessary to maintain, perfect, preserve or renew the Company Registered Intellectual Property, including the payment of any registration, maintenance, renewal fees, annuity fees and taxes or the filing of any documents, applications or certificates related thereto.

5.26. Delivery of Stock Ledger and Minute Book of the Company. The Company shall deliver its stock ledger and minute book to Broadcom at the Closing.

5.27. Employee Benefit Plans; Employee Matters.

(a) As soon as practicable after the Effective Time (the "Benefits Date"), Broadcom shall provide, or cause to be provided, employee benefit plans, programs and arrangements to employees of the Company that are substantially the same as those made generally available to equivalent employees of Broadcom who are hired by Broadcom after December 31, 1999. From the Effective Time to the Benefits Date (which the parties acknowledge may occur on different dates with respect to different plans, programs or arrangements of the Company), Broadcom shall to the maximum extent permitted by the terms of its employee benefit plans, programs and arrangements provide, or cause to be provided, employee benefits substantially equivalent to the employee benefit plans, programs and arrangements of the Company provided to employees of the Company as of the date hereof.

(b) Broadcom agrees that, after the Closing, the salaries of all Company employees will be adjusted to make such salaries consistent with the salaries of other similarly situated Broadcom employees; provided, however, that no such adjustment will result in any Company employee's salary being reduced below the salary being paid such employee as of the date of this Agreement (it being understood that this paragraph is not intended to preclude Broadcom and any Company employee from agreeing to any arrangement that is acceptable to them). Such adjustments will occur on each Company employee's respective hiring anniversary date with the Company. In addition, to the extent any employee of the Company has accrued but unused vacation time, such obligations with respect to such accrued vacation time shall be assumed by Broadcom and credited to such employee.

5.28. Adjustment of Aggregate Share Number. The parties acknowledge that the Company intends to issue Company Options to new employees of the Company in the ordinary course of business between the date hereof and the Closing Date. Broadcom and the Company acknowledge that the Aggregate Share Number will be increased in accordance with Schedule 5.28(a) as necessary to directly offset the dilutive effect of grants of Company Options to Company employees newly hired between the date of this Agreement and the Closing, as well as for certain issuances pursuant to or contemplated by the Exchange Agreements. The Company agrees that it will seek Broadcom's prior written approval of any grant of Company Options to any new employee, which consent shall not be unreasonably withheld or delayed, subject to Schedule 5.28(b). Notwithstanding anything in this Section 5.28 to the contrary, no adjustment to the Aggregate Share Number shall be made for any grant of Company Options by the Company which Broadcom did not approve in writing. In no event will the Closing be delayed, postponed or affected if there is a dispute between the Company and Broadcom as to whether the Aggregate Share Number is required to be increased pursuant to this section. If any such dispute cannot be resolved before the Closing, such dispute will be resolved post-Closing by Broadcom and the Stockholder Agent pursuant to the dispute resolution provisions of this Agreement.

5.29. Additional Loan. In the event the Closing does not occur on or before August 15, 2000, other than because of a breach of this Agreement by the Company, Broadcom agrees to loan the Company \$4,000,000 on the same terms and conditions as set forth in that certain promissory note from the Company in favor of Broadcom dated May 26, 2000.

#### ARTICLE 6 CONDITIONS TO THE MERGER

6.1. Conditions to Obligations of Each Party to Effect the Merger. The respective obligations of each party to this Agreement to effect the Merger shall be subject to the satisfaction at or prior to the Closing of the following conditions:

(a) Governmental and Regulatory Approvals. Approvals from any Governmental or Regulatory Authority (if any) necessary for consummation of the transactions contemplated hereby shall have been timely obtained; and any waiting period applicable to the consummation of the Merger under the HSR Act (other than with respect to

the receipt of Broadcom Common Stock by a shareholder of the Company) shall have expired or been terminated.

(b) Securities Law Compliance. Either (a) the Fairness Hearing shall have been held, and the California Permit (which shall include a finding of fairness) shall have been issued, or (b) the Registration Statement shall have been declared effective by the SEC, and no stop order shall be in effect and no proceeding for that purpose shall have been commenced or, to the knowledge of Broadcom or the Company, threatened with respect to such Registration Statement.

(c) No Injunctions or Regulatory Restraints; Illegality. No temporary restraining order, preliminary or permanent injunction or other Order issued by any court of competent jurisdiction or Governmental or Regulatory Authority or other legal or regulatory restraint or prohibition preventing the consummation of the Merger shall be in effect; nor shall there be any action taken, or any Law or Order enacted, entered, enforced or deemed applicable to the Merger or the other transactions contemplated by the terms of this Agreement that would prohibit the consummation of the Merger or which would permit consummation of the Merger only if certain divestitures were made or if Broadcom were to agree to limitations on its business activities or operations.

(d) Tax Opinions. Broadcom and the Company shall each have received written opinions from their counsel, in form and substance reasonably satisfactory to each of them, to the effect that the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

(e) Shareholder Approval. The Merger shall have been approved by the requisite votes of the Company's shareholders in accordance with the California Code.

6.2. Additional Conditions to Obligations of the Company. The obligations of the Company to consummate the Merger and the other transactions contemplated by this Agreement shall be subject to the satisfaction at or prior to the Closing of each of the following conditions, any of which may be waived, in writing, exclusively by the Company:

(a) Representations and Warranties. The representations and warranties of Broadcom contained in this Agreement shall be accurate in all respects as of the date of this Agreement and shall be accurate in all respects as of the Closing Date as if made on and as of the Closing Date (other than representations and warranties which by their express terms are made solely as of a specified earlier date, which shall be accurate as of such specified earlier date), except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies (considered collectively) do not constitute, and would not reasonably be expected to have, a material adverse change on the Business or Condition of Broadcom; provided, however, that, for purposes of determining the accuracy of such representations and warranties, all "material adverse change in the Business or Condition of Broadcom" qualifications and other materiality qualifications contained in such representations and warranties shall be disregarded.

6.3. Additional Conditions to the Obligations of Broadcom. The obligations of Broadcom to consummate the Merger and the other transactions contemplated by this Agreement shall be subject to the satisfaction at or prior to the Closing of each of the following conditions, any of which may be waived, in writing, exclusively by Broadcom:

(a) Representations and Warranties. The representations and warranties of the Company contained in this Agreement shall be accurate in all respects as of the date of this Agreement and shall be accurate in all respects as of the Closing Date as if made on and as of the Closing Date (other than representations and warranties which by their express terms are made solely as of a specified earlier date, which shall be accurate as of such specified earlier date), except that any inaccuracies in such representations and warranties will be disregarded if the circumstances giving rise to all such inaccuracies (considered collectively) do not constitute, and would not reasonably be expected to have, a material adverse change on the Business or Condition of the Company; provided, however, that, for purposes of determining the accuracy of such representations and warranties, (i) all "material adverse change in the Business or Condition of the Company" qualifications and other materiality qualifications contained in such representations and warranties shall be disregarded and (ii) any update of or modification to the Company Disclosure Schedule made or purported to have been made after the date of this Agreement (other than to reflect actions taken by the Company which are not in violation of the covenants of this Agreement) shall be disregarded; and provided further that neither of the following, in and of themselves, shall constitute a material adverse change: (i) changes or effects which are primarily and directly caused by the execution, delivery or performance of the pre-closing covenants set forth in this Agreement, and (ii) any material adverse change resulting from changes in economic conditions in the economy generally (it being understood that in any

controversy concerning the applicability of this proviso, the Company shall have the burden of proof with respect to the elements of the applicable clause).

(b) Performance. The Company shall have performed and complied with in all material respects each agreement, covenant and obligation required by this Agreement to be so performed or complied with by the Company on or before the Closing Date.

(c) Officers' Certificates. The Company shall have delivered to Broadcom a certificate, dated the Closing Date and executed by the President and Chief Executive Officer of the Company, substantially in the form set forth in Exhibit G-1 hereto, and a certificate, dated the Closing Date and executed by the Secretary of the Company, substantially in the form set forth in Exhibit G-2 hereto.

(d) Third Party Consents. Broadcom shall have been furnished with evidence satisfactory to it that the Company has obtained the consents, approvals and waivers listed in Section 2.6 of the Company Disclosure Schedule (except for such consents, approvals and waivers the failure of which to receive could not reasonably be expected to have a material adverse effect on the Business or Condition of the Company).

(e) Threatened Governmental Proceedings. No Governmental or Regulatory Authority shall have notified either party to this Agreement that such Governmental or Regulatory Authority intends to commence proceedings to restrain or prohibit the transactions contemplated hereby or force rescission, unless such Governmental or Regulatory Authority shall have withdrawn such notice and abandoned any such proceedings prior to the time which otherwise would have been the Closing Date.

(f) Legal Opinion. Broadcom shall have received a legal opinion from Latham & Watkins, legal counsel to the Company, in substantially the form set forth in Exhibit H.

(g) Tax Representation Letter. The Company shall have executed and delivered to Irell & Manella LLP and Latham & Watkins a Tax Representation Letter in substantially the form attached as Exhibit J.

(j) Employees. The employees of the Company set forth on Schedule 6.3(j)(i) shall continue to be employed by the Company at the Closing (and shall not have given any notice or other indication that they are not willing to be employed by Broadcom or a Subsidiary of Broadcom (as Broadcom shall designate), following the Merger). At least 90% of the other engineering and research and development employees of the Company employed as of the date of this Agreement (all of whom are listed on Schedule 6.3(j)(ii))

shall continue to be employed by the Company at the Closing and shall not have given any notice that they are not willing to be employed by Broadcom or a Subsidiary of Broadcom (as Broadcom shall designate) following the Merger. No more than two Company employees who cease to be employed by the Company as a result of death or bona fide permanent disability will be excluded from the numerator and the denominator in calculating such percentage.

(k) Limitation on Dissent. Holders of no more than five percent (5.0%) of the outstanding shares of Company Capital Stock shall have exercised, nor shall they have any continued right to exercise, appraisal, dissenters' or similar rights under applicable law with respect to their shares by virtue of the Merger.

(l) No Material Adverse Change. There shall have occurred no material adverse change in the Business or Condition of the Company since the date hereof; provided, however, that neither of the following, in and of themselves, shall constitute a material adverse change: (i) changes or effects which are primarily and directly caused by the execution, delivery or performance of the pre-closing covenants set forth in this Agreement, and (ii) any material adverse change resulting from changes in economic conditions in the economy generally (it being understood that in any controversy concerning the applicability of this proviso, the Company shall have the burden of proof with respect to the elements of the applicable clause).

(m) [Intentionally Omitted].

(n) Company Intellectual Property. No Person shall have (i) commenced, or shall have notified either party to this Agreement that it intends to commence, an Action or Proceeding or (ii) provided the Company with notice, in either case which allege(s) that any of the Intellectual Property, including the Company Intellectual Property, presently embodied, or proposed to be embodied, in the Company's products or utilized in Company-designed or modified development tools (including standard cells) or design environments infringes or otherwise violates the intellectual property rights of such Person, is available for licensing from a potential licensor providing the notice or otherwise alleges that the Company does not otherwise own or have the right to exploit such Intellectual Property, including the Company Intellectual Property, unless such Person shall have withdrawn such notice and abandoned any such Action or Proceeding prior to the time which otherwise would have been the Closing Date.

(o) Termination of 401(k) Plan. The Company shall have provided to Broadcom (i) executed resolutions of the Board of Directors of the Company authorizing the termination and (ii) an executed amendment to any 401(k) Plan sufficient to assure compliance with all applicable requirements of the Internal Revenue Code and regulations thereunder so that the tax-qualified status of any 401(k) Plan will be maintained at the time of termination if such Plan has been adopted or is in existence.

(p) Conversion of Company Indebtedness. The outstanding convertible Indebtedness of the Company set forth on Schedule 6.3(p) shall have been converted into shares of Company Common Stock pursuant to the Exchange Agreements between the holders of such indebtedness and the Company.

ARTICLE 7  
SURVIVAL OF REPRESENTATIONS, WARRANTIES, COVENANTS AND  
AGREEMENTS; ESCROW PROVISIONS

7.1. Survival of Representations, Warranties, Covenants and Agreements. Notwithstanding any right of Broadcom or the Company (whether or not exercised) to investigate the affairs of Broadcom or the Company (whether pursuant to Section 5.3 or otherwise) or a waiver by Broadcom or the Company of any condition to Closing set forth in Article 6, each party shall have the right to rely fully upon the representations, warranties, covenants and agreements of the other party contained in this Agreement or in any instrument delivered pursuant to this Agreement. Except for (i) the covenant contained in Section 5.14 (which shall survive for the period set forth therein) and (ii) Article 7 (which shall survive until termination of the escrow created thereby and the satisfaction of any other obligations described therein), all of the representations, warranties, covenants and agreements of the Company and Broadcom contained in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Merger and continue until first anniversary of the Closing Date (the "Expiration Date").

7.2. Escrow Provisions.

(a) Establishment of the Escrow Fund. As soon as practicable after the Effective Time, the Initial Escrow Amount, without any act of any shareholder, will be deposited with the Depositary Agent (plus a proportionate share of any additional shares of Broadcom Common Stock as may be issued upon any stock splits, stock dividends or recapitalizations effected by Broadcom following the Effective Time), such deposit to constitute the Initial Escrow Amount portion of the Escrow Fund to be governed by the terms set forth herein. The portion of the Initial Escrow Amount contributed on behalf of each shareholder of the Company shall be in proportion to the aggregate number of shares of Broadcom Common Stock which such holder would otherwise be entitled under Section 1.6. Upon the exercise of Company Options or Company Warrants during the Escrow Period, eight percent (8%) of the shares of Broadcom Common Stock issuable upon exercise of any Company Options and Company Warrants ("Additional Escrow Amount") shall be added and deposited to the Escrow Fund. Notwithstanding the references in this Agreement to the "escrow" and the Escrow Fund, the parties acknowledge and agree that the Depositary Agent is acting as a depository and not as an escrow agent pursuant to this Article 7.

(b) Recourse to the Escrow Fund. The Escrow Fund shall be available to compensate (and shall, except as otherwise set forth in this Section 7.2(b), be the sole source of compensation to) Broadcom and its officers, directors, employees, agents, Affiliates and Associates (collectively, "Broadcom Indemnitees") for any and all Losses (whether or not

involving a Third Party Claim), incurred or sustained by Broadcom or any other Broadcom Indemnitee, directly or indirectly, as a result of any inaccuracy or breach of any representation, warranty, covenant or agreement of the Company contained herein or in the Ancillary Agreements or in any instrument delivered pursuant to this Agreement; provided, however, that Broadcom may not make any claims against the Escrow Fund unless the aggregate Losses incurred or sustained exceed \$600,000 (at which such time claims may be made for all Losses incurred or sustained). Broadcom and the Company each acknowledge that such Losses, if any, would relate to unresolved contingencies existing at the Effective Time, which if resolved at the Effective Time would have led to a reduction in the aggregate Merger consideration to be paid to the shareholders of the Company. The shareholders of the Company shall not have any liability under this Agreement of any sort whatsoever in excess of the Escrow Fund, except in the event of fraud or willful misconduct (i.e., a fraudulent breach of a representation or warranty or an intentional breach of a covenant or agreement, but excluding a negligent or reckless breach) by the Company of any of its representations, warranties, agreements or covenants contained in this Agreement, the Ancillary Agreements or in any Closing certificate required to be delivered pursuant to this Agreement in connection herewith (it being understood that in any controversy concerning the applicability of this exception, Broadcom shall have the burden of proof with respect to the applicability of the exception). In the event of such a fraudulent or intentional breach, Broadcom shall have all remedies available at law or in equity (including for tort) with respect to such breach; provided, however, that, notwithstanding anything to the contrary contained in this Agreement, in no event shall any shareholder of the Company have any liability in excess of the Merger consideration received by such shareholder in connection with the Merger or the proceeds, if any, received by such shareholder in connection with the disposition of such Merger consideration.

(c) Escrow Period; Distribution of Escrow Fund upon Termination of Escrow Period. Subject to the following requirements, the Escrow Fund shall be in existence immediately following the Effective Time and shall terminate at 5:00 p.m., Pacific Time, on the Expiration Date (the period of time from the Effective Time through and including the Expiration Date is referred to herein as the "Escrow Period"); and all shares of Broadcom Common Stock remaining in the Escrow Fund shall be distributed as set forth in this Section 7.2(c); provided, however, that the Escrow Period shall not terminate with respect to such amount (or some portion thereof) that is necessary in the reasonable judgment of Broadcom, subject to the objection of the Shareholder Agent and the subsequent mediation and/or litigation of the matter in the manner as provided in Section 7.2(g) hereof, to satisfy any unsatisfied claims under this Section 7.2 concerning facts and circumstances existing prior to the termination of such Escrow Period which claims are specified in any Officer's Certificate delivered to the Depositary Agent prior to termination of such Escrow Period. As soon as all such claims, if any, have been resolved, the Depositary Agent shall deliver to the shareholders of the Company the remaining portion of the Escrow Fund not required to satisfy such claims. Deliveries of shares of Broadcom Common Stock remaining in the Escrow Fund to the shareholders of the Company pursuant to this Section 7.2(c) shall be made ratably in proportion to their respective contributions to the Escrow Fund. Each shareholder of the Company who would otherwise be entitled to a fraction of a share of Broadcom Common Stock (after aggregating all fractional shares of Broadcom Common Stock to be received by such holder) shall be entitled to receive from

Broadcom an amount of cash (rounded to the nearest whole cent) equal to the product of (a) such fraction, multiplied by (b) the Closing Price (calculated for this purpose using the thirty consecutive market trading days commencing on the thirty fifth market trading day prior to the release of shares). Broadcom shall use its commercially reasonable efforts to have such shares and cash delivered within five (5) Business Days after such resolution.

(d) Protection of Escrow Fund.

(i) The Depositary Agent shall hold and safeguard the Escrow Fund during the Escrow Period, shall treat such fund as a trust fund in accordance with the terms of this Agreement and not as the property of Broadcom and shall hold and dispose of the Escrow Fund only in accordance with the terms hereof.

(ii) Any shares of Broadcom Common Stock or other Equity Equivalents securities issued or distributed by Broadcom ("New Shares") in respect of Broadcom Common Stock in the Escrow Fund which have not been released from the Escrow Fund shall be added to the Escrow Fund. New Shares issued in respect of shares of Broadcom Common Stock which have been released from the Escrow Fund shall not be added to the Escrow Fund but shall be distributed to the record holders thereof. Cash dividends on Broadcom Common Stock shall not be added to the Escrow Fund but shall be distributed to the record holders of the Broadcom Common Stock on the record date set for any such dividend.

(iii) Each shareholder shall have voting rights with respect to the shares of Broadcom Common Stock contributed to the Escrow Fund by such shareholder (and on any voting securities added to the Escrow Fund in respect of such shares of Broadcom Common Stock).

(e) Claims Upon Escrow Fund.

(i) Upon receipt by the Depositary Agent at any time on or before the last day of the Escrow Period of a certificate signed by any officer of Broadcom (an "Officer's Certificate"): (A) stating that Broadcom or another Broadcom Indemnitee has paid or properly accrued or reasonably anticipates that it will have to pay or accrue Losses, directly or indirectly, as a result of any inaccuracy or breach of any representation, warranty, covenant or agreement of the Company contained in this Agreement or in any of the Ancillary Agreements or in any Closing certificate delivered by the Company pursuant to this Agreement, and (B) specifying in reasonable detail the individual items of Losses included in the amount so stated, the date each such item was paid or properly accrued, or the basis for such anticipated liability, and the nature of the misrepresentation, breach of warranty, agreement or covenant to which such item is related, the Depositary Agent shall, subject to the provisions of Sections 7.2(b) and (f) hereof, deliver to Broadcom out of the Escrow Fund, as promptly as practicable, shares of Broadcom Common Stock held in the Escrow Fund in an amount equal to such Losses. Where the basis for a claim upon the Escrow Fund by Broadcom is that Broadcom reasonably anticipates that it will pay or accrue a Loss, no payment will be made from the Escrow Fund for such Loss unless and until such Loss is actually paid or accrued.

(ii) For the purposes of determining the number of shares of Broadcom Common Stock to be delivered to Broadcom out of the Escrow Fund pursuant to Section 7.2(e)(i), the shares of Broadcom Common Stock shall be valued at the Closing Price.

(f) Objections to Claims. At the time of delivery of any Officer's Certificate to the Depository Agent, a duplicate copy of such certificate shall be delivered to the Shareholder Agent and for a period of 30 days after such delivery, the Depository Agent shall make no delivery to Broadcom of any Escrow Amounts pursuant to Section 7.2(e) hereof unless the Depository Agent shall have received written authorization from the Shareholder Agent to make such delivery. After the expiration of such 30 day period, the Depository Agent shall make delivery of shares of Broadcom Common Stock from the Escrow Fund in accordance with Section 7.2(e) hereof, provided that no such payment or delivery may be made if the Shareholder Agent shall object in a written statement to the claim made in the Officer's Certificate, and such statement shall have been delivered to the Depository Agent prior to the expiration of such 30 day period.

(g) Resolution of Conflicts; Mediation.

(i) In case the Shareholder Agent shall object in writing to any claim or claims made in any Officer's Certificate, the Shareholder Agent and Broadcom shall attempt in good faith to agree upon the rights of the respective parties with respect to each of such claims. If the Shareholder Agent and Broadcom should so agree, a memorandum setting forth such agreement shall be prepared and signed by both parties and shall be furnished to the Depository Agent. The Depository Agent shall be entitled to rely on any such memorandum and distribute shares of Broadcom Common Stock from the Escrow Fund in accordance with the terms thereof. The Depository Agent shall be entitled to rely on any such instructions and distribute shares of Broadcom Common Stock from the Escrow Fund in accordance with the terms thereof.

(ii) If no such agreement can be reached after good faith negotiation, either Broadcom or the Shareholder Agent may demand mediation of the dispute unless the amount of the damage or loss is at issue in a pending Action or Proceeding involving a Third Party Claim, in which event mediation shall not be commenced until such amount is ascertained or both parties agree to mediation. In any such mediation, Broadcom and the Shareholder Agent agree to employ a mediator from the American Arbitration Association (the "AAA") to assist them in reaching resolution of such dispute according to the Commercial Mediation Rules of the AAA. The mediator shall be a corporate attorney practicing in Los Angeles or Orange County, California, with at least 15 years experience in mergers and acquisitions. The fees and expenses of the mediator shall be shared equally by Broadcom and the Shareholder Agent. If after reasonable efforts, and over a period of sixty (60) days, the parties are unable to reach agreement on such dispute utilizing the mediator, any party may elect to bring suit in any court having jurisdiction under Section 9.9 hereof. The parties will agree to and seek such protective orders as may be required to protect and maintain the confidentiality of any proceedings and any and all confidential information to the greatest extent provided by law.

## (h) Shareholder Agent of the Shareholders; Power of Attorney.

(i) In the event that the Merger is approved by the shareholders of the Company, effective upon such vote, and without further act of any shareholder, David Mandel shall be appointed as agent and attorney-in-fact (the "Shareholder Agent") for each shareholder of the Company (except such shareholders, if any, as shall have perfected their appraisal or dissenters' rights under the California Code), for and on behalf of shareholders of the Company, to give and receive notices and communications, to authorize delivery to Broadcom of shares of Broadcom Common Stock from the Escrow Fund in satisfaction of claims by Broadcom, to object to such deliveries, to agree to, negotiate, enter into settlements and compromises of, and demand mediation and comply with orders of courts and awards of mediators with respect to such claims, and to take all actions necessary or appropriate in the judgment of the Shareholder Agent for the accomplishment of the foregoing. Such agency may be changed by the shareholders of the Company from time to time upon not less than 30 days prior written notice to Broadcom; provided, however, that the Shareholder Agent may not be removed unless holders of a two-thirds interest in the Escrow Fund agree to such removal and to the identity of the substituted shareholder agent. Any vacancy in the position of Shareholder Agent may be filled by approval of the holders of a majority in interest of the Escrow Fund. No bond shall be required of the Shareholder Agent, and the Shareholder Agent shall not receive compensation for his services. Notices or communications to or from the Shareholder Agent shall constitute notice to or from each of the shareholders of the Company.

(ii) The Shareholder Agent shall not incur any liability with respect to any action taken or suffered by him or omitted hereunder as Shareholder Agent while acting in good faith and in the exercise of reasonable judgment. The Shareholder Agent may, in all questions arising hereunder, rely on the advice of counsel and for anything done, omitted or suffered in good faith by the Shareholder Agent based on such advice, the Shareholder Agent shall not be liable to anyone. The Shareholder Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement and no implied covenants or obligations shall be read into this Agreement against the Shareholder Agent.

(iii) The Shareholder Agent shall have reasonable access to information about the Company and the reasonable assistance of the Company's officers and employees for purposes of performing its duties and exercising its rights hereunder, provided that the Shareholder Agent shall treat confidentially and not disclose any nonpublic information from or about the Company to anyone (except on a need to know basis to individuals who agree in writing to treat such information confidentially).

(i) Actions of the Shareholder Agent. A decision, act, consent or instruction of the Shareholder Agent shall constitute a decision of all the shareholders for whom a portion of the Escrow Amount otherwise issuable to them are deposited in the Escrow Fund and shall be final, binding and conclusive upon each of such shareholders, and the Depositary Agent and Broadcom may rely upon any such decision, act, consent or instruction of the Shareholder Agent as being the decision, act, consent or instruction of every such shareholder of the Company. The Depositary Agent and Broadcom are hereby

relieved from any liability to any person for any acts done by them in accordance with such decision, act, consent or instruction of the Shareholder Agent.

(j) Third-Party Claims. In the event Broadcom becomes aware of a third-party claim (a "Third Party Claim") which Broadcom reasonably expects may result in a demand against the Escrow Fund, Broadcom shall notify the Shareholder Agent of such claim, and the Shareholder Agent, as representative for the shareholders of the Company, shall be entitled, at their expense, to participate in any defense of such claim. Broadcom shall have the right in its sole discretion to settle any Third Party Claim; provided, however, that if Broadcom settles any Third Party Claim without the Shareholder Agent's consent (which consent shall not be unreasonably withheld or delayed), Broadcom may not make a claim against the Escrow Fund with respect to the amount of Losses incurred by Broadcom in such settlement. In the event that the Shareholder Agent has consented to any such settlement, the Shareholder Agent shall have no power or authority to object under any provision of this Article 7 to the amount of any claim by Broadcom against the Escrow Fund with respect to the amount of Losses incurred by Broadcom in such settlement.

(k) Indemnification for Shareholder Agent. No shareholder of the Company shall be entitled to receive any shares of Broadcom Common Stock from the Escrow Fund unless such shareholder shall have agreed (through the execution and delivery of the letter of transmittal or otherwise) to, severally and not jointly, on a pro rata basis based on such shareholder's proportionate ownership interests in the Company, indemnify, defend and hold the Shareholder Agent harmless from and against any loss, damage, tax, liability and expense that may be incurred by the Shareholder Agent arising out of or in connection with the acceptance or administration of the Shareholder Agent's duties, except as caused by the Shareholder Agent's gross negligence or willful misconduct, including the legal costs and expenses of defending such Shareholder Agent against any claim or liability in connection with the performance of the Shareholder Agent's duties. The Shareholder Agent shall be entitled, but not limited to, such indemnification from the Escrow prior to any distribution thereof to the shareholders of the Company, but after any distributions therefrom to Broadcom.

(l) Depositary Agent's Duties.

(i) Limitation on Duties of Depositary Agent. The Depositary Agent shall be obligated only for the performance of such duties as are specifically set forth herein, and as set forth in any additional written escrow instructions which the Depositary Agent may receive after the date of this Agreement which are signed by an officer of Broadcom and the Shareholder Agent, and may rely and shall be protected in relying or refraining from acting on any instrument reasonably believed to be genuine and to have been signed or presented by the proper party or parties. The Depositary Agent shall not be liable for any act done or omitted hereunder as Depositary Agent while acting in good faith and in the exercise of reasonable judgment, and any act done or omitted pursuant to the advice of counsel shall be conclusive evidence of such good faith.

(ii) Compliance with Orders. The Depositary Agent is hereby expressly authorized to comply with and obey Orders of any court of law or Governmental or Regulatory Authority, notwithstanding any notices, warnings or other communications

from any party or any other person to the contrary. In case the Depositary Agent obeys or complies with any such Order, the Depositary Agent shall not be liable to any of the parties hereto or to any other person by reason of such compliance, notwithstanding any such Order being subsequently reversed, modified, annulled, set aside, vacated or found to have been entered without jurisdiction or proper authority.

(iii) Limitations on Liability of Depositary Agent. The Depositary Agent shall not be liable in any respect on account of (A) the identity, authority or rights of the parties executing or delivering or purporting to execute or deliver this Agreement or any documents or papers deposited or called for hereunder; or (B) the expiration of any rights under any statute of limitations with respect to this Agreement or any documents deposited with the Depositary Agent.

(iv) Good Faith of Depositary Agent. In performing any duties under the Agreement, the Depositary Agent shall not be liable to any party for damages, losses, or expenses, except for gross negligence or willful misconduct on the part of the Depositary Agent. The Depositary Agent shall not incur any such liability for (A) any act or failure to act made or omitted in good faith, or (B) any action taken or omitted in reliance upon any instrument, including any written statement or affidavit provided for in this Agreement that the Depositary Agent shall in good faith believe to be genuine, nor will the Depositary Agent be liable or responsible for forgeries, fraud, impersonations or determining the scope of any representative authority. In addition, the Depositary Agent may consult with legal counsel in connection with the Depositary Agent's duties under this Agreement and shall be fully protected in any act taken, suffered, or permitted by him/her in good faith in accordance with the advice of counsel. The Depositary Agent is not responsible for determining and verifying the authority of any person acting or purporting to act on behalf of any party to this Agreement.

(v) Non-responsibility of Depositary Agent. If any controversy arises between the parties to this Agreement, or with any other party, concerning the subject matter of this Agreement, its terms or conditions, the Depositary Agent will not be required to determine the controversy or to take any action regarding it. The Depositary Agent may hold all documents and shares of Broadcom Common Stock and may wait for settlement of any such controversy by final appropriate legal proceedings or other means as, in the Depositary Agent's discretion, the Depositary Agent may be required, despite what may be set forth elsewhere in this Agreement. In such event, the Depositary Agent will not be liable for any damages. Furthermore, the Depositary Agent may at its option, file an action of interpleader requiring the parties to answer and litigate any claims and rights among themselves. The Depositary Agent is authorized to deposit with the clerk of the court all documents and shares of Broadcom Common Stock held in escrow, except all costs, expenses, charges and reasonable attorney fees incurred by the Depositary Agent due to the interpleader action and which the parties jointly and severally agree to pay. Upon initiating such action, the Depositary Agent shall be fully released and discharged of and from all obligations and liability imposed by the terms of this Agreement.

(vi) Indemnification of Depositary Agent. Broadcom and its successors and assigns agrees to indemnify and hold the Depositary Agent harmless against any and all Losses incurred by the Depositary Agent in connection with the performance of

the Depositary Agent's duties under this Agreement, including but not limited to any litigation arising from this Agreement or involving its subject matter.

(vii) Resignation of Depositary Agent. The Depositary Agent may resign at any time upon giving at least thirty (30) days written notice to the parties; provided, however, that no such resignation shall become effective until the appointment of a successor depositary agent which shall be accomplished as follows: the parties shall use their best efforts to mutually agree on a successor depositary agent within thirty (30) days after receiving such notice. If the parties fail to agree upon a successor depositary agent within such time, the Depositary Agent shall have the right to appoint a successor depositary agent authorized to do business in the State of California. The successor depositary agent shall execute and deliver an instrument accepting such appointment and it shall, without further acts, be vested with all the estates, properties, rights, powers, and duties of the predecessor depositary agent as if originally named as Depositary Agent. The Depositary Agent shall be discharged from any further duties and liability under this Agreement.

(m) Fees. All fees of the Depositary Agent for performance of its duties hereunder shall be paid by Broadcom. In the event that the conditions of this Agreement are not promptly fulfilled, or if the Depositary Agent renders any service not provided for in this Agreement, or if the parties request a substantial modification of its terms, or if any controversy arises, or if the Depositary Agent is made a party to, or intervenes in, any Action or Proceeding pertaining to this escrow or its subject matter, the Depositary Agent shall be reasonably compensated for such extraordinary services and reimbursed for all costs, attorney's fees, and expenses occasioned by such default, delay, controversy or Action or Proceeding. Broadcom agrees to pay these sums upon demand.

#### ARTICLE 8 TERMINATION, AMENDMENT AND WAIVER

8.1. Termination. Except as provided in Section 8.2 below, this Agreement may be terminated and the Merger abandoned at any time prior to the Effective Time:

(a) by mutual agreement of the Company and Broadcom;

(b) by Broadcom or the Company if: (i) the Effective Time has not occurred before 5:00 p.m. (Pacific Time) on September 30, 2000 (provided, however, that the right to terminate this Agreement under this Section 8.1(b)(i) shall not be available to any party whose willful failure to fulfill any obligation hereunder has been the cause of, or resulted in, the failure of the Effective Time to occur on or before such date); (ii) there shall be a final nonappealable order of a federal or state court in effect preventing consummation of the Merger; or (iii) there shall be any statute, rule, regulation or order enacted, promulgated or issued or deemed applicable to the Merger by any Governmental or Regulatory Authority that would make consummation of the Merger illegal;

(c) by Broadcom if there shall be any action taken, or any Law or Order enacted, promulgated or issued or deemed applicable to the Merger, by any Governmental or Regulatory Authority, which would: (i) prohibit Broadcom's ownership or operation of all or any portion of the business of the Company or (ii) compel Broadcom to dispose of or hold

separate all or any portion of the Assets and Properties of the Company as a result of the Merger;

(d) by Broadcom if it is not in material breach of its representations, warranties, covenants and agreements under this Agreement and there has been a breach of any representation, warranty, covenant or agreement contained in this Agreement on the part of the Company and (i) the Company is not using its reasonable efforts to cure such breach, or has not cured such breach within thirty (30) days, after notice of such breach to the Company (provided, however, that, no cure period shall be required for a breach which by its nature cannot be cured) and (ii) as a result of such breach any of the conditions set forth in Section 6.1 or Section 6.3, as the case may be, would not be satisfied prior to the Closing Date;
